

The Education People – update to the Kent Governance Association

Richard Hallett
Director of Organisation & Business Development

9 July 2018

Things to know about the company

- Decision made by KCC Cabinet in March 2017 to establish an Education Services Company
- Wholly owned by KCC
- Local Authority Trading Company (LATCo)
- Limited by Guarantee so surplus is reinvested into the services it provides
- Company board has representatives from our stakeholders as well as independent resource to support the company's activities
- **Launch 1st September**

Key Reasons for Doing This

- To secure for the longer term the ability to provide the highest quality services that we can to children, young people and families in Kent
- To ensure that schools and other settings will continue to be well-supported by and work closely with their local authority to deliver the best possible outcomes
- To realise the additional opportunities for growth in traded Education Services to better support the delivery of high-quality statutory services.

Company Values

Moral Purpose

We are driven by our shared moral purpose to do all that we can, both directly and indirectly, to improve educational outcomes and life chances.

People First

We are committed to always putting people first: our staff, clients and partners, and above all, the people we serve.

Stronger Together

We believe in the power of partnership and collaboration, understanding that the very best outcomes are delivered only when we work together – with each other, our clients and partners.

Excellence

We strive to excel in the delivery of high quality services that produce lasting outcomes: balancing pace, precision, practicality and cost.

Spirit of Innovation

We have a restless curiosity; we embrace every opportunity to learn, to challenge the status quo, and to seek to set new standards for outcomes and delivery.

Integrity

We expect the highest standards of professionalism and integrity of ourselves and others, acting at all times within the ethical framework of our values.

What people think about us

“A great product for new English leaders as it clearly sets expectations and informs me of what I need to know.”

Literacy Co-ordinator, Wrotham Road Primary School on Effective English Leadership File: Supporting the Ofsted Process online resource

“As always a fantastic hands on learning experience for the children. Covering the curriculum in a fun and active way. The children loved it”

Wentworth Primary School on Horton Kirby

“Made several new contacts for supply of goods at very competitive prices and built on existing relationships with current suppliers. Found workshop on the National Funding Formula very informative”

Feedback on Schools Financial Services from The Education People Show – formerly The EduKent EXPO 2017.

**But we do understand it's
not quite right.....**

Kim Stoner feedback – brief overview

- We need to work more closely together
- We need to offer you more clarity on our offer
- We need to ensure our staff are highly skilled, with a robust quality assurance process in place
- We need to be more visual as a company and ensure we are available to support you at your events
- Clarity around the company offer, and what is “core” and funded by KCC
- Support when you need it
- Listen to your feedback in terms of quality and gaps in service
