

# SEND INFORMATION ROADSHOW

**Are you holding any events for parents and carers of children or young people with special educational needs and disabilities (SEND)? Why not invite our SEND Information Roadshow?**

Our SEND Partnership and Engagement team will be collaborating with IASK and Kent PACT to deliver a series of SEND roadshows for families across Kent.

- Our SEND Partnership and Engagement team, as well as managing the SEND Information on Kelsi, also manage the SEND Information HUB website and Directory
- Information Advice and Support Kent (IASK) provide confidential and impartial SEND information, advice, and support
- Kent PACT (parents and carers together) is the forum for parents and carers of children and young people with SEND within Kent

We can show the range of information, services and support for children and young people with SEND, and their families, that is available for them both in their local area and across Kent.

If you are holding any events and would like our SEND Information Roadshow to attend, please email [yourvoice2@kent.gov.uk](mailto:yourvoice2@kent.gov.uk) to let us know and we will arrange this.

**SENCOs said 'It's definitely worth it, an amazing service and really helpful. What was offered was of excellent standard with essential content for parents and staff'**
