## **GOVERNING BODY DECISION PLANNER**

A well organised governing body can spread its workload by setting up committees and delegating tasks to these committees, or in some instances to individuals. Governing bodies are accountable in law for all major decisions about the school and its future. However, this does not mean that they are required to carry out all the work themselves. For example; governing bodies have a responsibility to ensure that their schools have a pay policy, but they would not be expected to draft it themselves. This task can be delegated to a member of the school staff or the governors could use a model policy produced by the local authority. The governors will then discuss and amend/endorse and adopt the policy as necessary. The same principle can be applied to the production of any required policy.

## THIS PLANNER SHOWS TO WHICH LEVEL THE GOVERNING BODY MAY LEGALLY DELEGATE FUNCTIONS

## **KEY**

Level 1: Full governing body

Level 2: A committee of the governing body

Level 3: An individual governor

Level 4: Headteacher.

Column blank: Action could be undertaken by this level.

Column blocked off: Function cannot be legally carried out at this level.

\*Governors must remember that although decisions may be delegated, the governing body as a whole remains responsible for any decision made under delegation\*
