

GET ON THE ROAD TO A HEALTHIER LIFESTYLE AND SAVE ON A NEW BIKE!

- Through Cycle2Work, you can obtain a new bike and the appropriate safety equipment out of your gross pay instead of your net pay meaning that you will save tax and NI on the cost.
- To qualify the bike's primary purpose must be for your commute to work.
- The scheme is open to staff employed by KCC. (Please note the scheme is not open to staff in Foundation Schools, Voluntary Aided Schools or Academies.)
