

# **Thanet Directory of Services**

**Version 1 – September 2020**

Thanet Local Children’s Partnership Group (LCPG) highlighted the need for a district directory of services, to make it clearer and more accessible for partners to be able to effectively signpost and refer families to appropriate support. Therefore, as one of our actions this year, we have collaboratively developed this directory and it will be updated periodically, starting with this first version developed in September 2020.
