1. Schools' Funding Forum (SFF) – Mission Statement

1.1 The SFF will carry out its statutory functions, make decisions and provide strategic advice to KCC's executive on matters relating to the funding of schools/academies. The Forum will present a consensus view to inform KCC policy on the overall Schools Budget and the calculation of individual school/academy' budgets by formula. The Forum will also make recommendations to pass on to central government and the Education Skills Funding Agency (ESFA) concerning their funding policies and arrangements for schools. The Forum is committed to an on-going review of funding arrangements and to disseminate practical guidance to schools to aid budget planning.

2. Membership/ Structure of the SFF

2.1 The number of Primary School, Secondary School and Academy members on the SFF must be broadly proportionate to the total number of pupils registered against each group. Where the following institutes exist within the Local Authority (LA) representatives from the respective groups are invited to sit on the SFF via the appropriate election process:

- LA Maintained Special School
- Academy Special School
- LA Maintained Pupil Referrall Unit (PRU)
- Academy– PRU
- Nursery School
- Private Voluntary Independent Early Provider (PVI)
- A representative of providers of 16-19 education. This includes, FE sector and other Post 16 institutions (SPI and ILP)

In addition to this the LA can appoint other non school members to the SFF.

2.2 The number of LA school members representing schools in a sub-group must be broadly proportionate to the total number of schools in that group when compared with the total number of schools maintained by the LA.

2.3 LA School members and Academy members must overall be at least two thirds of the membership of the forum.

2.4 Members can only represent one group (Primary School, Secondary School, Academy, LA non-schools) or sub-group (LA school sub-group within a group). However it would be quite legitimate for a single person who holds multiple officers/positions to be eligible for membership of more than one group or sub-group. A person who is a governor of, say, a primary school and a secondary school is able to stand in elections as a representative of either group but can be only appointed to represent one of those groups.

3. Group / sub-group membership of the SFF

3.1 In total there are 25 members on Kent's SFF, this is made up of 11 LA school representatives, 10 academy and 4 non- school representatives.

LA representatives

3.2 LA school representatives will be made up of Seniors Leaders (SL) (including finance staff) and Governors. The nomination of members to the SFF will involve two different selection processes for SLs representing LA schools and School Governors representing LA schools. SLs will be directly elected by the relevant LA school sub group and Governors will be placed by the Kent Governors Association (KGA). The representative groups for LA schools are made up of the following:

- 4 primary school SLs
- 2 governors (ideally 1 primary school and 1 Secondary school)
- 1 Nursery School SL
- 2 secondary school SLs (one representing selective schools and one non-selective schools)
- 1 PRU SL
- 1 Special School SL

Academies

3.3 Academies members must be elected to the SFF by the governing bodies of the academies in the LA area. DfE guidance treats academies as a single group and representation cannot be defined by a sub group of academies. Academy members are there to represent the governing bodies of academies and are, not necessarily restricted to principals, senior staff or governors, there will be 9 academy representatives on the SFF elected by all academies (excluding Academy Special Schools), plus one Academy Special School representative elected by Academy Special Schools.

3.4 The number of LA school and Academy members will be reviewed annually using the pupil numbers from the October census. Where there is a proportionate change to LA school and academy pupil numbers this will be reflected in group membership, however implementation and change to membership will only take place when a member's term of office comes to its end.

Non- school members of the SFF

3.5 The SFF must include a representative of providers of 16-19 education (FE sector and other Post 16 institutions (SPI and ILP)) and a representative from Early Years Private Voluntary and Independent sector. The LA may appoint additional non-schools members to the SFF to represent the interests of other bodies. There are two important restrictions; the LA cannot appoint an elected member of the LA who is appointed to the executive of that authority (a lead member/portfolio holder) "executive member". Secondly, the LA cannot appoint the Director of Children's Services of any officer employed or engaged to work under the management of the Director of Children Services and who does not directly provide education to children. LAs will need to provide their terms of office, how they were chosen and whom they represent.

3.6 Within one month of the appointment of any non-schools member, the authority must inform the governing bodies of schools maintained by them and of Academies within

their area of the name of the member and the name of the body that member represents.

3.7 Organisations which typically provide non-school members are:

- Trade unions,
- Professional associations,
- Representatives of youth groups,
- Officers working directly managing an education service for looked after children or pupils with sensory difficulties as they are well placed to represent the needs and interests of particular group of pupils.
- School improvement partners.
- Diocesan Board of Education

3.8 The following are non-school members appointed at the LA discretion, a representative of the Diocesan Board of Education and a School Improvement Partner.

4. Membership - period of office

4.1 For all LA school members and Academy members the term of office on the SFF will be 3 years. For non school members it at the discretion of the LA to determine the period of office and will be agreed on an ad-hoc basis with the relevant body that the member represents.

4.2 A SFF member remains in office until:

- the member's term of office expires;
- the member ceases to hold the office by virtue of which the member became eligible for election, selection or appointment to the forum;
- the member resigns from the forum by giving notice in writing to the authority,
- for a non-schools member only, the member is replaced by the authority, at the request of the body which the member represents, by another person nominated by that body.

5. Election process - LA school members (excluding LA governors) and academies

5.1 All constituents in the group will be contacted and given the opportunity to either stand for election or nominate a colleague.

5.2 If the number of nominees exceeds one then an election will be held to select the group/ sub-group representative to sit on the SFF. In the event that there is only one nominee the person will automatically sit on the SFF.

5.3 Where there is more than one nominee for each group-sub group an election will take place, nominees will need to provide a picture and a statement why they would be a suitable representative for their group/sub-group on the SFF. This information will be displayed on KELSI so that schools/academies can view this information and decide who would be an appropriate candidate to vote for. The election process is as follows:

- 5.3.1 All schools/academies will have the opportunity to vote, the process will be managed via trust web and email.
- 5.3.2 Each school / academy governing body will have one vote, depending on the number of candidates up for election in the group/ sub-group will determine how votes are scored, so for example if there were four members up for election the process would be as follows. Each school/ academy will vote in order of preference i.e. first preference four points, second preference three etc. The total points for each candidate will be calculated and the top four will be elected to the Forum.
- 5.3.3 In the event of a tie between two or more candidates, then the LA must appoint the school/academy member instead. The LA may decide to appoint one of the candidates rather than someone else and might wish to take into account the experience or expertise of the individuals and the balance between different types of represented schools/ academies on the SFF.
- 5.3.4 All deadlines for voting and nominations must be complied with in full; any returns received after this will be invalid.

6. SFF meetings

- 6.1 A full SFF meeting will be held four times a year, the planned meeting dates will be September, December, April and June. Future meeting dates for the academic year September to August will be announced at the SFF meeting held in April or June.
- 6.2 SFF are more than just consultative bodies. They also have an important role to play in approving certain proposals from their local authority and are therefore involved in the decision making process surrounding the use of public money at a local level. Schools Forums should consider how best to ensure that their proceedings are subject to public scrutiny. LA council meetings and committee meetings are held in public except in certain specified cases. The SFF should start from the presumption that there is no reason not to allow public access.

Quorum

- 6.3 A meeting is only quorate if 40% of the total membership is present and it is 40% of the current membership excluding vacancies. If a meeting is inquorate it can proceed but it cannot legally take decisions e.g. a decision relating to funding conferred by the funding regulations.

6.4 In addition to the SFF members, the following persons may speak at meetings of the SFF, even though they are not members of the forum:

- 6.4.1 the director of children's services at the authority or their representative;
- 6.4.2 the chief finance officer at the authority or their representative;
- 6.4.3 any elected member of the authority who has primary responsibility for children's services or education in the authority;
- 6.4.4 any elected member of the authority who has primary responsibility for the resources of the authority;
- 6.4.5 any person who is invited by the forum to attend in order to provide financial or technical advice to the forum;
- 6.4.6 an observer appointed by the Secretary of State; and

7. Election of chairperson and vice chairperson

7.1 A chairperson and vice chairpersons term of office will for the period of one year and elections for each position will take place annually.

- 7.1.1 Nominations will be sought prior to the meeting following the chairperson and vice chairpersons term of office has come to a conclusion and a vote via email will take place so that the chair and chairperson are in place for the following meeting.
- 7.1.2 In the event of a tie, the successfully candidate will be chosen by a toss of a coin.
- 7.1.3 The chairperson, in liaison with the appropriate LA officer, will agree the agenda items for meetings. Members of the SFF should submit agenda items to the chairperson of the SFF to be included on the agenda.

8. Voting at SFF meetings

8.1 All members must be entitled to vote on all matters put to a vote, with the exception items relating to paragraphs 8.1.2 & 8.1.3.

- 8.1.1 Where a member votes the member must only cast one vote and each member's vote must have an equal weighting, save that in the event of a tie in the number of votes the members may determine such other voting procedures as they see fit.
- 8.1.2 Non-school members, other than those who represent early years providers, must not vote on matters relating to the funding formulae to be used by the local authority to determine the amounts to be allocated to schools and early years providers in accordance with regulations made under sections 47 and 47ZA of the Act.

8.1.3 Where the Secretary of State specifies in regulations made under sections 47 and 47ZA of the Act that only certain members of the forum may authorise certain matters, only those members must be entitled to vote.

10.1 The Following are all sub-groups of the SFF (see KELSI for terms of reference), Delegated Formula Funding Group (DFFG)) and Early Years Sub-Group (EYSG)

10.1.1 The chair of each sub-group will be a serving member of the SFF

10.1.2 Normally a minimum of two Forum members will sit on each sub-group.

10.1.3 The structure of the sub group should where possible reflect the forum membership.

10.1.4 The chairperson's term of office will be at the discretion of the SFF.
