

# Sound Circle learner feedback

They both had a lovely time and were both smiling and talking about what they had done on the way back in the car.

*I liked meeting and seeing other children with hearing aids.*

He loved making paper puppets. He was so pleased when he came out of the sound circle and showed his mum.

I liked meeting other children and it was nice to be off school!

It made me feel proud to be deaf.

I love my snow globe. I want to go back again.

I liked playing the games with the older learners.

# Sound Circle CSW/SENCO Feedback

He really enjoyed the session as did I, we would love to come back again.

Thanks to you all for making it happen.  
A concrete example of the impact of  
the work you all do.

*I enjoyed talking to the other  
CSW's and look around Newington. I  
enjoy a break from the norm and I  
think it is good that the they see other  
hearing-impaired children.*

**I liked talking to the other adults, and  
I realise how good some of them are at signing,  
so I will need to practise more! 😊**
