Old Year Pupil Premium Adjustments

This document explains the origin of the adjustments shown on the April 2015 advances to the 2014/15 pupil premium

The adjustments fall into four categories: 1 The primary Ever6 rate was increased by £23 retrospectively

- The counting rule on the Post-LAC category retrospectively now includes those leaving care prior to december 2005
- 3 The EFA have asked us to pass on pupil premium awards to a small number of schools about which we have no further details
- One school had an error on its service premium which we have resolved
