

Brake's

Calling all creative children, aged 4-11!
Help Zak the Zebra design a poster about
the dangers of fast traffic, and win prizes
for you and your school.

We want powerful designs that spread
awareness about the dangers of adults
speeding - something that puts
kids' lives at risk every single day.

Winning designs will be turned into big banners
to be displayed outside schools or in the
local community. Children can also win
vouchers for themselves and their school.
And Brake's mascot **Zak the Zebra**
will visit winning schools to say a big
'thank you' for their help.

Schools can use Brake's free resources, including a fun
fact sheet, assembly presentation, lesson slides,
and activity sheets to help inspire
pupils to make their voices heard.

Simply download our poster template,
get children to design their posters in
class or at home, and make sure
competition entries reach us by:

Friday
30
June
2017

Can your school fundraise
for Brake – the road safety
charity that supports
bereaved and seriously
injured road crash
victims?

Zak has lots of
fun and simple ways
your kids and staff
can help raise money.
