*During the 12 month period, Swale was moved from being classified an East to a North district. Therefore, the figures for North Kent will not match the individual North figures for some of the months. Furthermore, due to the change East Kent figures will not add up for the period.

Data refers to the number of episode groups (families) started on a rolling 12 month period, ending with the calendar month.

Data includes all episodes where the District Action in the Early Help Record was "Unit".

Please note that where a District cannot be identified, episodes have been added only to the Kent figure each month. Figures for South Kent include the Change for Kent Children Early Help Unit created in January 2020

As the Adolescent units were only formed in April 2019, the rolling 12 month data evidenced here is not comparable with other districts until the final month, March 2020.

Children Missing Education

Children registered as a child missing education

Snapshot Date	Number of children (excl. dormant)	Number of dormant cases
31/03/2020 (latest)	473	206
31/08/2019	326	161
31/08/2018	347	52

Note:

Figures based on all known children within educational year groups R (Reception) to 11 registered as a child missing education on the given date in each of the corresponding years illustrated. Dormant cases represent the number of children where all avenues available to the local authority have been pursued. Cases are risk assessed and remain open, however, the case is filed as 'dormant' and subsequently reviewed monthly until the child is located or is no longer of statutory school age.

CME data recording transferred to the new Synergy recording system in 2018. The previous recording system (Impulse) did not have a functional data recording field to enable symbolisation of those cases with a status as 'dormant', whereas, the Synergy recording system has this functionality. The 52 dormant cases illustrated as at 31/08/2018 reflects data collated from Synergy only, not a combined figure from both Impulse and Synergy recording systems, thus should be treated with caution.

Attainment 8 - Grades are converted into scores for attainment in English & Maths (both worth double points) and the 6 English Baccalaureate subjects.

Progress 8 - a score of (for example) 1.0 means pupils in the group make on average a grade more progress from KS2 than the national average.

English Baccalaureate - pupils achieving a pass grade in each of the following subject areas: English, Maths, Science, Modern Foreign Languages and Humanities.

Attainment 8 - Grades are converted into scores for attainment in English & Maths (both worth double points) and the 6 English Baccalaureate subjects.

In 2018, Attainment 8 had a different maximum point score due to the phased introduction of reformed GCSEs. This should be taken into account when considering any change in Attainment 8 scores between 2017 and 2018.

Progress 8 - a score of (for example) 1.0 means pupils in the group make on average a grade more progress from KS2 than the national average.

English Baccalaureate - pupils achieving a pass grade in each of the following subject areas: English, Maths, Science, Modern Foreign Languages and Humanities.
