

MAKATON

Early Years Enhanced Core Training Programme presents:

Makaton Taster Sessions and Levels 1, 2, 3 and 4

This requested training is available to early years settings and schools.

It is designed so that you will understand and learn how you can use Makaton to help children communicate.

You will learn core vocabulary and receive resources to support your use of Makaton in your school or setting.

Free Taster Sessions:

- Learn ways Makaton can be used to help children communicate
- Learn some core vocabulary
- Receive resources to support your use of Makaton in your school or setting

Level 1, 2, 3 and 4:

- History, design & structure & the Makaton Core Vocabulary
- Learn to use signs & symbols in your daily environment & use techniques for placement, directionality & movement
- To learn different approaches available to develop the communication skills of a wide range of Makaton users
- Manual provided at a minimal cost
