

Assessment CPD Programme 2017/18

End of Key Stage 1 Statutory Assessment Arrangements Update

The course aims to provide a summary for Year 2 teachers who are familiar with the end of Key Stage 1 statutory assessments. Delegates will receive a concise summary of the relevant changes and constant features to the 2018 Key Stage 1 assessment arrangements, including the phonics screening check. Specific guidance will be given in the management and delivery of teacher assessments. There will be a mixture of input, discussion and opportunities for asking questions. There will also be the opportunity to moderate reading and writing informally.

Please note: this course is not appropriate for NQTs or teachers who have never taught Year 2 before; the "End of Key Stage Statutory Assessment Arrangements Full day" course is more suitable for them.
