

MORE THAN A MILESTONE

Early Years Enhanced Core Training Programme presents:

More Than a Milestone – Nurturing Inclusion for Children with Significant Developmental Delay

This training is designed for practitioners who want to enhance their knowledge and skills in identifying and supporting children experiencing significant developmental delay. Throughout the session, we will cover key topics including how to adapt practice, support transition, create inclusive environments, and implement key strategies that ensure that every child reaches their full potential. By the end of the training, participants will gain practical insights and tools to apply in their day-to-day work. Whether you are new to this area or looking to refresh your understanding, this course provides a comprehensive overview to support your professional development.
