

## National Professional Qualification in Senior Leadership

### NPQSL - Leading across a school

Those who are, or are aspiring to become a senior leader with cross-school responsibilities e.g. an experienced middle leader, a deputy head teacher, an assistant head teacher, or other senior staff e.g. a Director of a Teaching School Alliance (TSA).

## Curriculum Framework

The curriculum framework is built around six content areas and seven leadership behaviours, all of which are common to each level of NPQ, enabling leaders to develop the depth and breadth of knowledge and experience progressively through the levels:

The six **content areas** set out what a leader should know or be able to do:

- Managing Resources and Risks
- Teaching and Curriculum Excellence
- Strategy and Improvement
- Leading with Impact
- Working in Partnership
- Increasing Capability

The seven **leadership behaviours** focus on how the best leaders operate:

- Commitment
- Collaboration
- Resilience
- Personal Drive
- Awareness
- Respect
- Integrity

## Why choose us?

Leadership CoLab is an established national partnership between the UCL Institute of Education (IOE) and a national network of good and outstanding schools. We are accredited by the DfE as a national provider of the new gold-standard NPQs, and are working with our school partners to design and deliver qualifications that have a real impact.

We currently work with over 85 school cluster groups across the country, with an ever-increasing scope. This means our participants have a real choice of where to work.
