Headline Commentary

Figures for Not Knowns in August have risen, which is the start of the seasonal instability in reporting due to new courses and enrolments not yet being known and recorded on the system. The combined NEET and Not Known figure is at 8.8%, up from 7.7% last month, due to the increase in the Not Knowns. These figures are all the same as the same time last year.

The NEET population of 1,069 young people comprises 530 in the year 12 age group and 539 in the year 13 age group.

The Participation rate has decreased slightly from last month, down from 88.4% to 87.5 %, and is 0.7 percentage points lower than the same point last year.

Combined NEET and Not Known figures range from 5.7% in Tunbridge Wells to 11.9% in Thanet.

The collection of September Guarantee data for Year 11 and Year 12 pupils is ongoing. Schools and colleges must submit details of those students they have offered places to for September. Services can then work with young people without a September Guarantee prior to September to ensure they have an appropriate positive destination to move into that will meet their needs and aspirations.
