INTRODUCTION

A Corporate Card is a facility for use by schools, to allow the purchase of goods, where it is not possible or appropriate to use cheques. Examples include internet purchases, purchases by telephone and ‘in person’ purchases where a school cheque is unacceptable.

Purchases should be made in accordance with guidance given in Schools Financial Controls.

The cardholder may only use the card for business purposes.

Individual suppliers will be paid by the Bank within 4 working days of the transaction taking place.

The school will receive monthly statements from Royal Bank of Scotland (RBS), detailing the transactions for each cardholder. The School makes one payment per month per card to the Bank by direct debit to cover all card transactions.

These guidance notes should be read in conjunction with Schools Financial Controls.
Guidance notes for completion of Corporate Card application forms

These notes are designed to provide guidance when applying for a Corporate Card. Three forms are required to complete the process:

1. Cardholder Application Form (including the direct debit form and the transaction blocking form)
2. KCC Authorisation Form
3. Employee Agreement

Send completed forms to:

Application Form Notes

Section 1 Billing Unit details

This is completed by Schools Financial Services

Section 2 Cardholder Details

Complete personal and home address details, including password. A mobile number and e-mail address must be supplied so that a 6-digit one-time-passcode (also known as an OTP) can be sent to the cardholder when making online transactions. Any applications without a mobile number may be rejected. Correspondence address is the school’s address.

Section 3 Cardholder details to be specified

Schools can only have a Standard card. State the required monthly limit for the card and a single transaction limit if necessary.

Section 5 Authorisation by the business/organisation

This is completed by Schools Financial Services

Direct Debit Mandate

Complete all sections. Name of account holder needs to be the school name not the individual.

2 Authorised Signatures from the Bank Mandate are required.
The direct debit guarantee can be kept by the school.

**Transaction Blocking Form**

Section 5.2 – complete the cardholder’s name

Section 5.3 – please indicate which categories are **not** to be used by the cardholder, please note the Cash Withdrawal category will always be blocked.

**Authorisation Form**

This must be signed by the headteacher or the Chair of Governors if the headteacher is the applicant.
If more than one application is being sent, this form needs to be completed once only.

**Employee Agreement**

To be completed and signed.
CARD MANAGEMENT

Security of the Card

The card provided to you is to be used by you only and is not to be lent to anyone else. It is in the name of the company and it is your responsibility to ensure that it is retained securely at all times. It is not permitted to keep any corporate card(s) in the school safe where more than one person has access. The card is secure if it is kept with the cardholder.

All cards are now contactless, but a PIN letter will be sent to the school for the cardholder’s attention just before a new card is issued. The PIN has to be used for the first transaction made in person before the card can be used contactless. The PIN must not be shared with anyone else.

Non Receipt of Cards at Renewal

Your replacement card should be received approximately 14 days before the renewal date. Non receipt should be advised immediately to Schools Financial Services.

Lost/Stolen cards

If you lose your card or it is stolen, advise Royal Bank of Scotland immediately (they operate a 24-hour customer service) by telephone.

Cardholder’s Liability/Credit Status

Whilst the Corporate Card is embossed with your name, the account and therefore the liability is in the name of the School. Consequently there is no impact on your personal credit status.
**Amended cards - change of name**

If you need to amend your name on the card (e.g. because of marriage etc) a change of name form is required to be completed. Please contact Schools Financial Services for the relevant form. The headteacher needs to confirm that they have seen the original document to prove this change and a copy of the proof attached to the form. If the change relates to the headteacher, this will need to be authorised by the Chair of Governors. The form must be returned to Schools Financial Services.

**Leaving employment**

Please complete and return the cancellation form. This can be found on KELSI or by requesting one from Schools Financial Services.

Destruction of the card should be witnessed and completed prior to the cardholder leaving their employment. Confirmation is required that the card has been cut in half and any subscriptions or regular payments set up on the card must be cancelled directly with the retailer(s).

**LIMITS**

**Monthly Credit Limit**

An initial monthly credit limit has been set for your card. Please complete the corporate card changes form on KELSI or contact Schools Financial Services if the monthly limit needs to be changed. This must be authorised by the headteacher (or Chair of Governors for a headteacher’s card) and returned to Schools Financial Services.

**Single Transaction Limit**

An initial agreed maximum transaction limit may have been set for your card.

The card cannot be used for purchases in excess of this limit as attempts to do this will be met with a decline when authorisation is sought for the transaction. This limit is inclusive of any VAT, carriage charges etc.

Please complete the corporate card changes form on KELSI or contact Schools Financial Services if the single transaction limit needs to be changed. This must be authorised by the headteacher (or Chair of Governors for a headteacher’s card) and returned to Schools Financial Services.

The changes to either limit will be permanent.

**TRANSACTIONS**
Where the card can be used

Your Corporate Card can potentially be used at any Visa supplier outlet.

Raising Orders

Orders should be raised for all expenditure as a commitment to the school’s system.

Card Declined

If a transaction is declined the cardholder can telephone RBS using the number on the back of their card or contact Schools Financial Services. Some potential causes are: exceeding monthly card limit, exceeding individual transaction limit or using a supplier that is within a Merchant Category that is currently blocked.

• Rejection of Goods/Goods Incorrect

If you reject the goods, ensure that you tell the supplier directly, as it is they who will arrange a credit to your Corporate Card account. The credit will appear on your monthly statement and therefore should be entered on your local finance system to aid reconciliation (see Procedure Note No. 6 for FMS6). There is no need to await receipt of the Corporate Card statement before raising the problem with the supplier. If you cannot come to mutual agreement with the supplier, contact RBS directly or Schools Financial Services.

• Incorrect Amount Billed

When checking your monthly statement against your local finance system you may identify a transaction that you are not happy with. In these circumstances contact the relevant supplier to seek explanation/adjustment. In the event that the discrepancy remains unresolved contact Schools Financial Services for further instructions.

• Billed But Goods Not Received

If you are billed for something that has not been received contact the supplier to ensure that the goods have been dispatched. It is a VISA regulation that the transaction is not processed until the goods are dispatched. Inform Schools Financial Services if this regulation has been breached.

• Missing Transactions
Any purchases made just prior to the statement date (26th of the month) will show up on the following month’s cardholder statement. If any transactions do not turn up as anticipated, it is possible that the supplier has failed to enter the purchase into the Visa system. In these circumstances contact Schools Financial Services before taking any action.

**STATEMENTS**

A statement will be produced for each card on a monthly basis.

1. Check immediately on receipt, for any discrepancies/abnormal entries on the statement, where amounts do not relate to the items supplied. If any are present, the cardholder should immediately telephone Schools Financial Services for guidance.

2. Check each line on the statement against your local finance system and sign the statement as approved.

3. If there are any items under dispute with the supplier they should be clearly marked as such. They should also remain as an outstanding entry.

4. Credit values appearing on the statement will be for settlement of previously disputed items. The cardholder should make reference next to the entry detailing which item it resolves. A photocopy of the original statement with the disputed item on should be signed as cleared.

5. If there are any transactions on your local finance system that do not appear on the monthly statement these should appear on the next month’s statement.

6. Cardholders can register their own card on Cards OnLine and print their own statements. They will need the password that was on their original application form.

7. Please note that the monthly limit will not refresh until the direct debit has been taken (7 days after the statement date).
SUMMARY

Corporate cards are designed to be simple and easy to use while providing you with the goods required to perform your job in an efficient manner whilst adhering to financial procedures.

When accepting a card you are considered as being in a position of trust. Such a position requires you to act in a responsible manner that safeguards the financial interests of your school and Kent County Council.

When using the card you should exercise good judgement and act responsibly. The card is issued in your name and all activity will be assumed to have been incurred by you.

Each month your statement must be reconciled and all receipts and invoices retained.

In addition, random audits may be conducted for both card activity and retention of receipts and invoices as well as the physical security of the card.

These procedures should be used in conjunction with Schools Financial Controls (Orders for goods and services).

FMS6 Procedure Note Number 6 should also be used to ensure the Corporate Card transactions are correctly recorded on the school’s finance system.
