

# The **EE**Fective Kent Project

## The Promising Projects Roadshow

### EEF Implementation Training

The first hour of the Roadshow will be the delivery of the EEF's implementation training. The completion of the implementation training is a requirement for all Promising Project applications.

### Meet The Providers

You will have the opportunity to meet with your top three providers to find out more about their Promising Project and ask any questions you have.

### More Information & Contact
