The Local Authority has a statutory duty to collect data from all education establishments regarding offers they have made to 16- and 17-year olds from September. It is an important part of our planning and transition support offer. Enabling us to identify those at-risk of NEET, gaps in local provision and to work alongside you in supporting our most vulnerable young people.

The process in place to collect this data is a partnership between MI, The Education People's Skills and Employability service and Kent schools and colleges. Despite the challenging times we find ourselves in, we are endeavouring to complete this process as usual. However, some of the timings have changed, please see below:
