Date: 19th June 2020

Dear Colleague,

As a current subscriber to FFT Aspire through The Education People, we are delighted to be able to offer you discounted preferential rates once again for this year.

As you know The Education People are committed to supporting you in any way that they can, so we are also pleased to tell you that they will not be passing on the price increase that FFT Aspire have implemented and will maintain last year's price for your renewal.

As you will see from the table below this could mean significant savings for your school.

Please note that if you currently buy into the School Improvement SLA package then access to Aspire is included so although you still need to renew there will be no additional charges.

The FFT Aspire subscription cost for your school for the 2020/21 academic year will be the fixed cost as shown below. The subscription charge will be processed through your account (previously known as EduKent).

School Type	Buy from us at 2019/20 prices	Price Comparison (If you bought from FFT direct)
Infant School	£105	£80 + £1 per pupil
Primary school with fewer than 150 children on roll	£125	£100 + £1 per pupil
Primary school with 150 – 199 children on roll	£175	
Primary school with 200+ children on roll	£205 Some schools save over £600!	

To renew your subscription, please complete the form that was included in the email and send it back to us by 15 July 2020 at MIEducation@WiderEH@kent.gov.uk

A copy of the letter and form can also be found on Kelsi:

<https://www.kelsi.org.uk/school-management/data-and-reporting/management-information/fft-aspire-support>

SLA Package information

If your school is not currently taking advantage of the many benefits a suitable SLA package can offer and would like some more information please email:

schoolimprovementSLA@theeducationpeople.org

For any enquiries about your FFT Aspire renewal please email MIEducation&WiderEH@kent.gov.uk

Yours sincerely
