WHAT IS AN ADVOCATE?

SOMEONE WHO CAN...

- Help get your views across
- Give you information about your rights and entitlements
- Help you have a say in decisions made about your life

ADVOCACY IS ALWAYS...

- Independent - This means we are separate from all other professionals and work just for you
- Confidential - We don't pass on any information unless you tell us that it is ok (unless we are worried that you or someone else may not be safe)

HOW CAN WE HELP YOU?

- Support you at meetings
- Help you write letters or emails
- Help you understand your rights and entitlements
- Help you make a complaint if you're unhappy about something
- Try to help resolve your problems

ADVOCATES CAN...

- Meet you face to face
- Help over the phone
- Text or Email you
- Whichever you feel most comfortable with
