

# DIGITAL ACCESS SCHEME

Many vital services have moved online since the start of the COVID-19 (Coronavirus) pandemic. In addition, the pandemic has highlighted the 'digital gap'.

That is why Kent County Council established the Helping Hand's Scheme, allocating funding to tackle digital exclusion across the county.

One of the ways we are doing this is through our Hardware Access Scheme. Professionals can refer individuals to this scheme. Find out more by visiting **[digitalkent.info/HAS](https://digitalkent.info/HAS)**.
