Dear Colleague,

Free Entitlement and Childcare Period 01/09/2022 – 31/12/2022 Autumn Actuals Claim

The Headcount Week is next Monday 12th September – Friday 16th September 2022. If your setting is claiming funding for 38 weeks a year the maximum number of weeks that can be claimed for this term is **14**. As you have advised us you are providing stretched funding, over 48 weeks, the maximum number of weeks that can be claimed for this term is **16**. Please ensure that all parents/carers have completed and signed a parental declaration for this term.

The date of birth range for Autumn 2022 term is below:

Term	3 Year Olds	4 Year Olds	Whole DOB Range
Autumn 2022	01/09/2018 to 31/08/2019	01/09/2017 to 31/08/2018	01/09/2017 to 31/08/2019

Synergy FIS Provider Portal

For the Autumn 2022 Headcount the 'Actuals' tab will be open from today, Friday 9th September to Tuesday 20th September 2022. **If you have submitted claims prior to Friday 9th September 2022 these will be deleted.**

Claims **should not** be submitted for children who are not in attendance during headcount week unless there is a known reason (i.e. sickness or holiday). The deadline for submitting your claim is **5pm on Tuesday 20th September 2022**. Balancing payments should be in Providers' accounts week commencing Monday 31st October 2022

The 'Actuals' tab will show details of children who claimed funding last term, however, to avoid incorrect submissions, no hours have been carried forward. You will need to add the funded hours for **all** children (both universal and, where applicable extended hours) and check the weeks attended in the term are correct. If you need to delete any children that are no longer at the setting, please click the black X next to their name, further guidance can be found on page 8 of the headcount guidance.

The link for Synergy FIS Provider Portal and the guidance notes are available on KELS:

Please be aware that passwords will need to be reset every 42 days.

Important update regarding unsubmitted claims

Due to ongoing issues with the Synergy FIS Provider Portal, settings are no-longer advised to look for a green "Submission successful" bar. Providers are advised to check the status of each child in their list.

Awaiting LA Deletion – Deleted child awaiting removal by MI.

Awaiting LA Download – Claim submitted and received by MI.

Blank – Claim received and processed by MI.

Unsubmitted claim – MI has not received your claim for this child, and it will not be processed until submitted.

Your screenshot evidence should include all children on your submission.

30 Hours of Free Childcare

In order to receive payment, you must have completed a 30 hour validation check through KELSI for **all** children you are claiming extended entitlement for. Please check your records to ensure this has been completed to avoid your payment being withheld.

You must only submit a claim for extended hours using a code that is valid for the Autumn terms. If the start date of the code is after 31st August 2022, it is not valid for an Autumn term claim. If you submit a claim and an invalid code is accepted in your headcount submission, this will **not** be processed for payment.

Full information on 30 hours claims is available on KELSI.

Children Claiming at dual Settings

As per the Provider Agreement children can access a free place at no more than two sites per day. The combined claims must not be greater than 15 hours a week for universal entitlement and 15 hours a week for the extended entitlement. Where claims are received in excess of these hours, no setting will be paid until the overallocation is resolved.

Stretched Funding

There are 2 choices in how to claim stretched funding:

Option 1: Claim the funding as non-stretched (over 38 weeks) on Synergy and stretch it yourselves with the parent.

Option 2: Claim the stretched funding over 48 weeks per year. This will either be your actual stretched offer, or you will claim 48 weeks but also stretch the funding outside of synergy as you offer over 48 weeks of the year.

If you will be claiming the stretched funding under option 1 please reply to this email to let us know.

If you will be claiming the stretched funding under option 2 the maximum number of hours that can be claimed for Autumn 2022 is 192 (12 hours over 16 weeks). If you are claiming the stretched funding for a child, please ensure that you input the number of stretched weeks being claimed in the 'weeks attended in term' box and tick the 'Stretching entitlement' box.

Providers should be aware that the child's funding will be capped at 570 hours a year (the maximum number of hours the Department for Education fund Local Authorities) so Management Information will deduct any overclaimed hours in the Autumn 2022 term if the child has reached the final term in their funded year.

Late Joiners

Once the Headcount data collection is over and the 'Actuals' tab is closed providers will be able to go into the adjustments tab and add late joiners – please find the full guidance on KELSI.

The adjustment tab will open from Wednesday 21st September 2022. The deadline to submit Autumn 2022 Late Joiners is Thursday 12th January 2023.

Missed Headcount Appeals

The Deadline for missed headcount appeals to be submitted to Management Information is Friday 21st October 2022, appeals submitted after this date, for settings who were open and offering for Autumn 2022 will not be accepted and you will not receive any funding for Autumn Term.

Tips for Submitting on Synergy during Headcount Week

- Where possible, please use a computer rather than a smart phone.
- Try different browsers such as Google Chrome, Edge or Firefox.
- Always access your portal via the link on the Kelsi website.
- Do not save the link and only have it open once at any one time.
- Remember that your username is your 6-digit URN.
- Add the hours for your continuing children and submit those before adding your new children, then submit again once finalised.
- Please take a screenshot of your submission as per page 22 & 35 of the Synergy guidance which can be found on KELSI

If you require any further information, please contact Management Information on 03000 421612.

Yours sincerely,
