Please select a form below to update your details:

EY Census 2022

Click on **`EY Census 2024**' to start filling in your census return. If you cannot see the **`Forms'** tab or link to the census, please contact us using our telephone number: **03000 421612** or via email: <a href="MIEarlyYears@kent.gov.uk">MIEarlyYears@kent.gov.uk</a> and we can investigate.

When you click on the link, it will open a new window that shows the first section of the census. There are 4 sections that need to be completed before you can submit.

Some details will fill themselves in automatically, please check these are correct before proceeding. Once all questions on a page have been completed you can click 'Next Page', or you can select the dropdown box to pick the section you would like to do next.

You can move back and forward between sections as you like without losing data but please be aware if you close the window, you will lose all the data you have entered.

MI suggests that you take a screenshot of each section once it has been completed as a record of what you have submitted in case something goes wrong, and you lose work as this will make it easier when filling the form in again.

Once you are happy that everything is ok you can press the 'Submit' button and a dialog box will pop up that asks you to confirm if you wish to proceed.

Do not press Submit until **all** questions on **all** sections have been completed.

When your return has been submitted you will see the following message

To check that your form has submitted successfully click on 'View Forms' which will show your submitted form with one of three messages

Pending - Your census has been submitted and is waiting to be imported Authorised - Your census has been imported into our system Denied - There is a significant issue with your submission, and we will be in contact

Please do not contact MI to check your form has been submitted as this is a busy time of year and we will let you know if we do not receive your return.

If you have submitted your return and realise you have made a mistake or pressed submit by mistake part way through do not worry. You can start and submit the form again, if you are doing this after the submission window has closed or you have submitted a return by mistake please contact us to let us know. You can contact us using our telephone number: **03000 421612** or via email: <a href="MIEarlyYears@kent.gov.uk">MIEarlyYears@kent.gov.uk</a>
