Attendance and Payment Dates

Free For Two funding (2 year old disadvantaged) claims can be submitted for children who attend your setting from 14th April 2025.

For all entitlements except 2 year old disadvantage (FF2) claims **should not** be submitted for children who are not in attendance during the designated **headcount week** (28th April to 2nd May) unless there is a known reason (i.e. sickness or holiday). Please do not submit claims for children who have not yet started with you. You must ensure that all parents/carers have completed and signed a parental declaration for this term before submitting the claim.

The 'Actuals' tab will show details of children who claimed funding last term. However, to avoid incorrect submissions, no hours have been carried forward. You will need to add the funded hours for **all** children and check the weeks attended in the term are correct. If you need to delete

any children who are no longer at the setting, please click the black **X** next to their name. Further guidance can be found on page 9 of the Synergy Actuals/Headcount guidance.

Please note:

- Children submitted with zero hours will be assumed to be children who have left and will be deleted by Management Information, if not already deleted by yourselves.

All accepted claims submitted by **5pm on Wednesday 7th May 2025**, will receive a balancing payment week commencing 23rd June 2025.

Please note:

- The 'Processed Date' within Synergy will be the date it has been accepted by Management Information and is not the date it has been paid.
- You cannot claim for a child who has accepted a primary/infant school place at a maintained school or academy for this academic year, even if they are planning to start later in the academic year.

Please be aware that passwords will need to be reset every 42 days.

The Working Parents Entitlement

To receive payment for the Working Parents Entitlement, **validation checks must be completed** through KELSI for **all** children you are claiming for. Please check your records to ensure this has been completed to avoid your payment being withheld.

You must only submit a claim for the Working Parents Entitlement hours using a code that is valid for the Summer terms. If the start date of the code is after 31st March 2025, it is not valid for a Summer term claim. If you submit a claim and an invalid code is accepted in your headcount submission, this will **not** be processed for payment.

Full information on the Working Parents Entitlement is available on KELSI.

Late Joiners

The adjustment tab will open from Thursday 8th May 2025 for providers to add any late joiner claims. The deadline to submit Summer 2025 late joiners is Friday 15th August 2025.

Early Years Pupil Premium

The process for claiming EYPP has changed and it is now claimed through the Synergy Portal for economic criteria. **Please remember to complete the parent/carers tab and tick the EYPP box in the Synergy portal for all claims so we can complete this check.**

If you are not claiming funding for the Summer Terms 2025 you **do not** need to do anything.
