Pupil Premium Summer Schools Funding 2013-14

1. Pupil Premium Summer Schools Grant 2013-2014 will be paid pursuant to Section 14 of the Education Act 2002, and in accordance with Section 16 of that Act the Secretary of State lays down the following terms and conditions on which assistance is given in relation to the Pupil Premium Grant (PPG) payable to the Authority for the financial year beginning 1 April 2013.

Basis of allocation

2. The Department has made a **provisional** allocation for each local authority's Summer School funding. A schedule of schools taking part in the programme in each local authority is set out on the accompanying spreadsheet. The allocations will be based on £250 per **eligible** pupil per week identified by each participating secondary school that will run a Summer School.

3. Summer School funding allocations will be **adjusted in October 2013**, when schools submit confirmation that the Summer School took place and the number of places offered.

Allocating to mainstream schools

4. Local authorities must allocate to each of their eligible schools, the amount shown on the accompanying spreadsheet, to spend for 2013-2014.

5. The Department may adjust a school's Summer School funding allocation in September 2013 to reflect that a Summer School did not take place, or changes to the number of places offered. A revised spreadsheet will be issued with the final breakdown of 2013-14 Summer School funding by eligible school.

Allocation and Payment arrangements

6. Final allocations for Summer School funding will be confirmed once schools have confirmed that the Summer School took place and the number of places that were confirmed by eligible pupils. This will be reflected in the October 2013 payment to the local authority.

7. The Summer Schools funding will be paid by the Secretary of State to the Authority in two instalments:

- June 2013 (50% of provisional allocation); and
- October 2013 (remainder of final allocation).

Certification

8. Local authorities will be required to certify that they have passed on the correct amount of funding to schools or, where funding has been spent centrally, that it has been spent in line with the conditions of grant. We will issue details of this process alongside the certification arrangement for the 2013-14 Pupil Premium.

Overpayments

9. Any overpayment of grant shall be repaid by the Authority to the Secretary of State.

Further information

10. That the books and other documents and records relating to the recipient's accounts shall be open to inspection by the Secretary of State and by the Comptroller and Auditor General. The Comptroller and Auditor General may, pursuant to Section 6 of the National Audit Act 1983, carry out examinations into the economy, efficiency and effectiveness with which the recipient has used its resources in discharging its grant-aided activities.

11. The Authority shall provide such further information as may be required by the Secretary of State for the purpose of determining whether it has complied with the conditions set out in this document.

Other conditions

12. If the Authority fails to comply with the conditions set out in the paragraphs above, the Secretary of State may require the repayment of the whole or any part of the grant monies paid to the Authority as may be determined by the Secretary of State and notified in writing to the Authority. Such sum as has been notified shall immediately become payable to the Secretary of State.
