Dear Colleague,

As a current subscriber to FFT Aspire through The Education People, we are delighted to be able to offer you discounted preferential rates once again for this year.

As you are aware, FFT Aspire is a powerful resource that will help your school become more informed, save time and take control, all of which are essential for the continuous improvement that we know you strive for. So, as The Education People are committed to supporting you in any way they can we are also pleased to tell you that they will not be passing on the full price increase that FFT Aspire have implemented this year.

The table below shows the subscription costs.

	Buy from us	If you bought from FFT direct
Secondary school	<b>£575 + 40p per pupil</b>	£575 + £1 per pupil

That's a saving of 60p per pupil and by continuing to subscribe to this service through The Education People your overall savings for this year could be considerable. For example, an average size school in Kent with 1000 pupils would cost £975 with The Education People compared to £1575 if you subscribed direct. A huge saving of £600!

Simply renew your subscription to take advantage of this amazing offer. All you need to do is complete and return the form that was included in the email and send it back to us by 15 July 2020 at [MIEducation@WiderEH@kent.gov.uk](mailto:MIEducation@WiderEH@kent.gov.uk) The subscription charge will be processed through your account (previously known as EduKent) with The Education People.

A copy of the letter and form can also be found on Kelsi:
