Working together for quality
relationships and sex education

Invitation

Join us for an afternoon discussion on Implementing Statutory Relationship and Sex Education

Thursday 7th March 2019 – 1 - 3.30 (lunch provided)

Join us for a free workshop for those working with schools in preparation for the introduction of Statutory Relationship and Sex Education from September 2020.

Get the latest from the Sex Education Forum and Public Health England on:

- Key milestones involved in the RSE legislation and Government implementation
- Sex Education Forum and PSHE Association 'Roadmap' tool for head teachers / senior leaders

Have an opportunity to consider:

- Different types and sources of support that would be relevant to schools depending on the point they are at in their journey towards high quality RSE & Health Education
- What further support local commissioners & decision-makers need for example evidence, practice sharing, specialist advice, resources
- Your next steps and priorities
