How do I set up my school on UCASprogress?

How do I set up (and update) my school's presence on KentChoices4U?

Step 1. Provider Manager - information about my school:

Provider Manager Manual & Quick Reference Guide

Kent guidance

Do not tick the following boxes:

- learners require approval;
- learners cannot add qualifications;
- request references for applicants.

How do I set up (and update) my school's presence on KentChoices4U?

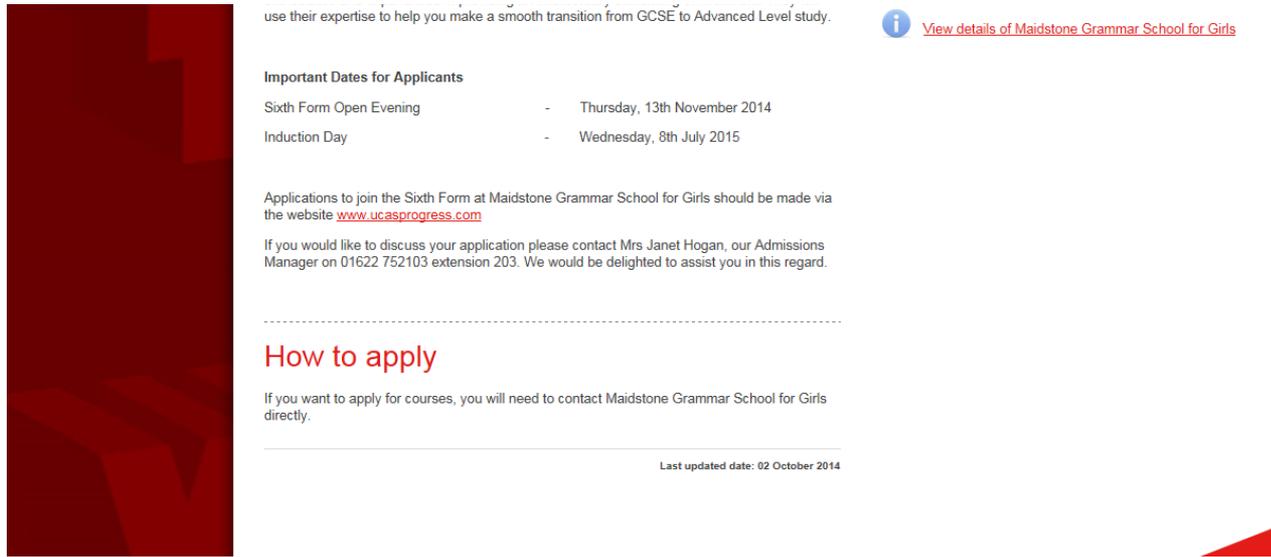

Step 2. Course Manager - information about our courses

Course Manager & Quick Reference Guide

Kent guidance

- Always include the QAN
- Always use the naming convention – subject name, qualification & level
 - i.e. Hospitality, BTEC, Level 3
- Remember AS/A level changes this year
- Avoid using importing/exporting data function – useful for colleges with hundreds of courses.

Why does the 'How to apply' section of my schools entry advise people to contact my school?

use their expertise to help you make a smooth transition from GCSE to Advanced Level study.

Important Dates for Applicants

Sixth Form Open Evening	-	Thursday, 13th November 2014
Induction Day	-	Wednesday, 8th July 2015

Applications to join the Sixth Form at Maidstone Grammar School for Girls should be made via the website www.ucasprogress.com

If you would like to discuss your application please contact Mrs Janet Hogan, our Admissions Manager on 01622 752103 extension 203. We would be delighted to assist you in this regard.

How to apply

If you want to apply for courses, you will need to contact Maidstone Grammar School for Girls directly.

Last updated date: 02 October 2014

- Until your school is open to receive applications this message will show. Once open, this message will change to apply using UCASprogress.
- This has been reported to UCAS as a problem.

How do I make sure all applicants see our entry requirements, and option blocks, before they apply?

The 'Before You Apply' function (not currently in the guide) is a screen that learners must see before they apply.

Go to: Provider → details → final box on screen → insert text

Kent Guidance

There is limited space and formatting so include brief description:

- entry requirements;
- closing dates.

Option Blocks

Kent Guidance

If your school uses preset option blocks:

- insert text as previous slide;
- in the text ask that they access the option blocks using the click here button;
- email option block document to prospectus@kent.gov.uk and we will upload it.

What happened to My School and My School (Learners)

This was a work around used last year to let schools open and close their application windows at different times. This is no longer necessary.

Archived data held under My School (Learners) is in the process of being transferred into your accounts.

How do I restrict when learners can apply to my school?

Kent Guidance

The default position is that schools receive applications from 3rd November, and remain open throughout the year. If you would like an earlier or later start date, or an earlier closing date, let us know as soon as possible by emailing: prospectus@kent.gov.uk.

You should have already done this through the KC4U profoma.

Please keep us informed if your dates change.

How do I support my learners?

How do learners apply using KentChoices4U/UCASprogress?

There is a Powerpoint presentation and a paper guide which can be used to introduce KentChoices4U to your learners. Download from the 'Professionals' link at www.kentchoices4u.com.

The KentChoices4U launch is 3rd November, but learners can update their profile (and begin searching) when the school copies of their letters are delivered at the beginning of October.

How do I download a list of my Year 11's usernames and passwords?

Course manager

As a course manager you can create, edit and delete your courses. You are also able to create and manage your venues and contacts to build engaging and informative course descriptions.

These counts display the number of courses at a venue level (eg if a course is delivered three venues this will be counted three times on the dashboard).

Courses 4

Hidden courses 0
Hidden courses will not appear within the search.

Courses with no venues 0
Courses with no venues will not appear within the search.

Courses with missing key information 0
Key information ensures courses appear correctly within the search.

Courses with missing additional information 4
Additional information supplements course entries within the search.

Learner manager

As a learner manager you can oversee and administer the learners that are assigned to you. This includes adding and editing learners as well as resetting passwords and unlocking descriptions.

Raising the Participation Age

Remember what you choose to do after Year 11 is important, and you have a responsibility until you are 18 years old to stay in one of the options below:

- full time education in school or college;
- full time work with learning attached to it, like an apprenticeship; or,
- part-time education (if you are self-employed or volunteering).

So, if you would like some advice or guidance:

- talk to your school: they have a legal responsibility to provide you with independent, impartial careers advice;
- talk to your careers teacher, teachers, family and friends;
- get advice and guidance from <https://nationalcareersservice.direct.gov.uk>; or,
- use kentchoices4u.com and UCASprogress.com

www.kentchoices4u.com

Will help you decide what you want to do and how to plan making decisions.

Look here for local information on:

- open evenings and course entry requirements.

Click on the links to:

- apprenticeship vacancies;
- sources of careers help;
- careers information, videos and tools

www.UCASProgress.com/search

Is where you:

- login to your personal account;
- research school and college options;
- apply online;
- track your application;

Your school careers tutor will be able to monitor applications to see if you need any support.

College, sixth form and training

If you are a young person, aged 14 to 19, you need to think about your next steps. The information here will help you make choices for September 2015 or if you have already completed Year 11, find opportunities starting now.

You now have to stay in learning or training until you are 18 – you don't need to stay in school, the important thing is that you continue to learn, through:

- full time education in school or college
- full time work with learning attached to it, like an apprenticeship
- part time education if you are self-employed, volunteering or doing some other type of useful activity.

Logging in to UCAS Progress

If you are in Year 11 in a Kent school you will receive login details in November. If you have not received them, ask at school, please **do not self-register**.

If you are in Year 11 at an independent school or a school outside Kent you can self-register directly on the [UCAS Progress website](#).

If you are not in Year 11, you can still use the [UCAS Progress website](#) to research courses available in Kent.

Apprenticeships

You can [search and apply for current apprenticeships](#) in KCC and on the National Apprenticeship Service website.

Search for courses. Enter your Postcode into the Search box to begin looking for courses that suit you.

Now you have found some courses that you want to apply for, add them to your favourites by using the 'Add to favourites' button.

Add to favourites

Make sure you add all courses that you may want to apply for to your favourites.

You will need to complete your Profile before you apply as this becomes your application form. You can start completing the profile at any time and it is a good idea to do this as soon as possible so you are ready to make an application.

Once you have completed your profile and saved courses to favourites, you are ready to start an application. Click on the applications tab on the homepage and select 'Start a new application'.

Start a new application

You will receive an e-mail when anything changes with your application. You can accept as many offers as you would like, and we would recommend that you keep checking into UCAS Progress to see if you have any messages or to respond to offers.

Step 1

Complete your profile

Summary

This profile is where you enter information to be included as part of your applications.

How it works:

- You can enter and save information in each section using the tabs (Personal information, Qualifications etc.).
- When you have finished working on each section save it or mark it as complete at the bottom of the page.
- Complete as much information as possible within each section and ask teachers or advisers for help if you are unsure of what is needed.

How do I track and support my learners?

If you are responsible for supporting your Year 11's post-16 transition, and agree to the code of practice, then you can have access to the Adviser function.

Adviser Manual available

Using the adviser function, you can see:

what they are looking at; their favorites; where they have applied; the status of those applications; who hasn't done anything; who is at 'risk' and the preference order of their applications.

What if a new learner joins my school?

Kent Guidance

- If a Year 11 joins your school contact us and we will check they are not already on the system and create an account for them: this avoids duplicate learner records.
- Do not use the 'I don't have an account' button.

What if someone from outside Kent or an independent school wants to apply to my school?

The arrangements have changed. They now create their own account using the 'I don't have an account' button at: www.ucasprogress.com/search. A username and password will then be sent by email to the learner.

Kent Guidance

- We will supply text on request to put in school sixth form prospectuses and on UCAS Progress. See next slide.
- We will support these applicants but will need to refer some to the UCAS Progress Support Team.

Sample text – usernames & passwords for out of county and independent school learners

If you wish to apply to xxxxxxx school you will need use the UCASprogress website, accessed via www.kentchoices4u.com.

If you are a Year 11 in a Kent school you will have received your username and password. Learners at out of county or independent schools can self register on UCASprogress at: <https://www.ucasprogress.com/account/pickaschool>.

UCASprogress queries to prospectus@kent.gov.uk.

What if my learners are interested in apprenticeships?

Apprenticeships are currently advertised through the National Apprenticeship Service (NAS) website.

Kent Guidance

These are current vacancies and will not be suitable for learners who are at the beginning of Year 11. These vacancies will be suitable towards the end of the academic year, or for learners in Year 12 and 13 considering work based learning.

A link to the search and apply function of the NAS website is available from: www.kentchoices4u.com

How do I manage applications?

How do I prepare my school to receive applications?

Set up a message template to acknowledge an application once you receive it.

Thank you for your application, the next steps are ...

Application Manager Manual - Section 9 how to create and send individual and bulk messages.

Acknowledging applications and messaging run separately. Once you have acknowledged an application you then need to send a message to the applicant.

How do I process applications once they start arriving?

You can manage your applications by:

- filtering;
- understanding the application status process;
- acknowledging applications;
- messaging.

Application Manager Manual available

Kent Guidance

We are not using the enrolment or referencing function on ucasprogress

- It is important that you check the status filters for applications & learners to ensure you don't miss anyone.

How do I make offers to applicants?

- You can make conditional or unconditional offers using ucasprogress.
- You can customize the offer reflecting changes to subject choice since the learners initial application and add a message. *This is new functionality.*
- If you use this method we will centrally collect September Guarantee data direct from ucasprogress.
- If you are unsure ask for help

How do I use reports?

What reports can I get from UCAS Progress?

Pt.1

- Reports are accessed via the top menu bar.
- To receive reports you must tick the box to opt into receiving the reports.
- Reports are cumulative and refreshed every Monday.
- You may wish to download the report each week and save outside UCAS Progress.
- There are 4 reports.

What reports can I get from UCASprogress? pt2

1. Applications report - applications your school has received.
2. Courses report – how many times people have looked at each of your courses on UCAS Progress: a rough guide to the popularity of your courses.
3. Provider report – how many times people have looked at the general information of your school.
4. September Guarantee – available to ‘Advisers’, and contains information on what your Year 11 are doing.

How do I use the applications report?

This report contains:

- Name, address, home school, contact details, application date and the subjects in order of preference.
- You can either download this information each week and add your own information

or

- use the weekly cumulative update if it has all the information you require.
- From 1st April it will include application preference order i.e. are you first, second or third choice.

How do I use the Course and Provider reports?

These reports show you how often people are looking at your school's information.

If you are getting high numbers of people looking at your school or specific courses and you are not getting high numbers of applications, then there is likely something wrong with the information you are supplying.

September Guarantee report

This report contains information on your Year 11 and is only available to those who have the Adviser Function. It includes information on:

- where your young people are applying;
- status of learners applications;
- who is at risk (need to read UCAS definitions); and,
- the order of preference of their applications.

Which manuals should I use?

We recommend the following UCAS guides:

- Provider Manager Manual
- Provider Manager Quick Start Guide
- Course Manager Manual
- Course Manger Quick Guide
- Adviser Manual
- Application Manager

Where can I find the manual?

The screenshot shows the UCAS Progress administrator interface. The browser address bar displays <https://ucasprogress.com/administrator/home>. - Learner manager:** 10302 learners, 3004 never logged in, 1100 with incomplete profiles, 20 learners awaiting qualifications, 32 learners awaiting references, 12016 learners with applications, 1270 learners with no applications, 1054 learners with no offers, 1247 self-registered learners.
- Application manager:** 16002 total applicants, 0 received within the last 7 days, 259 with unread messages, 72 with newly updated reference, 1933 applications with updated relevant details, 537 submitted, 6008 acknowledged, 62 returned by provider, 3165 conditional offer, 24 unconditional offer, 4228 offer accepted, 1247 enrolled.
- Adviser:** Never logged in, With no favourites, Awaiting profile approval, Learners with no submitted applications, Learners with more than three applications, Learners with no offers.

A red button in the top right corner, circled in blue, reads "Need help? Click here for the user guide". Below the button, the text "Information hub Main site Account Log off" is visible.

An interactive guide to be introduced in Term 1 or 2

College, sixth form and training

If you are a young person, aged 14 to 19, you need to think about your next steps. The information here will help you make choices for September 2015 or if you have already completed Year 11, find opportunities starting now.

You now have to stay in learning or training until you are 18 – you don't need to stay in school, the important thing is that you continue to learn, through:

- full time education in school or college
- full time work with learning attached to it, like an apprenticeship
- part time education if you are self-employed, volunteering or doing some other type of useful activity.
