

3<sup>rd</sup> November 2015

Dear Head teacher

Do you struggle to recruit staff?

Did you know there is an un-tapped pool of qualified and experienced teachers who are unable to be considered for employment because they have not taught in UK schools for more than 5 years? Yet according to the regions supply teacher agencies, they only need a twelve week placement to obtain a supply teacher post.

Teach Again Ltd is a company that has been recently established to help teachers return to teaching, and to support schools and supply teaching agencies across the country to recruit more qualified and experienced teachers thereby reducing the national shortage of teachers.

A school based, structured teaching programme allows programme participants to refresh fully on what is current in education and gain teaching experience in their specialist area. Schools, academies and colleges benefit from engaging a qualified teacher with no fees or wages to pay, and potentially employing the programme participant at the end of the programme - with no Teach Again Ltd finders' fees for recruitment from programmes that have been delivered during the 2015/2016 academic year.

The Teach Again programme requires schools, academies and colleges to register as Teach Again centres so that returning teachers can easily access a programme within their locality.

Would you like to be able to re-train qualified and experienced teachers in-house who within a very short period of time you could recruit, with no fees to pay?

If the information above has gained your interest and you would like to find out more about how to become a Teach Again centre, please contact me on 07904 085182 or [kayshaw@teachagain.co.uk](mailto:kayshaw@teachagain.co.uk) or visit [www.teachagain.co.uk](http://www.teachagain.co.uk).

Kind regards

Kay Shaw

Director

Teach Again Ltd - Helping teachers to return to teaching
