How to transfer your XML files to Management Information

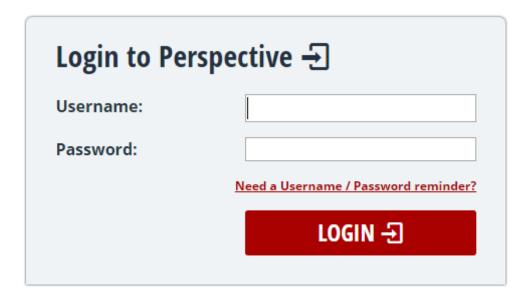

As last year, files will be transferred via Perspective Lite. This is the website you use to transfer your School Census files to us.

Firstly, open Internet Explorer.

Type the website address in the address line https://perspective.angelsolutions.co.uk and press return.

• Login to Perspective Lite using the login details you use to transfer your census file to us.

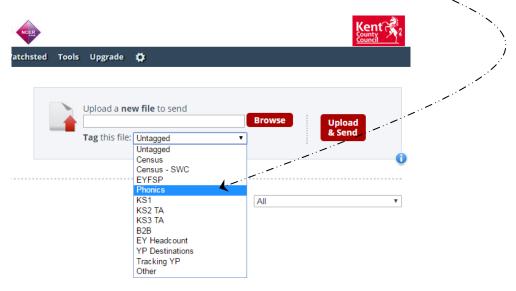

If you need help with your login details please e-mail Angel Solutions at perspectivesupport@angelsolutions.co.uk or call them on **0845 129 7196**.

Alternatively, if you click on the **Need a Username / Password reminder?** link you can enter either your username (this is normally the school URN) or your e-mail address and a reminder of your login details will be e-mailed to you. The e-mail address that you enter will need to be the address that is assigned to your Perspective Lite login or the password retrieval will not work.

 To locate the file you will need to click on the Browse button. You need to navigate to the path where your CTFs are saved.

Once your chosen file is displayed in the Browse box, select the correct file tag to correspond
with the file you are uploading.

- When the file is correctly tagged, you can then click **Upload & Send** to start the secure upload process for adding the file to Perspective Lite and sending to the LA.
- When the file has uploaded/sent you will receive a message on screen to let you know if this process has been successful.

• You have now sent the file and can exit if you wish, or you can locate another file that you wish to send.

Please transfer your CTFs for all relevant Key Stages between the end of May and:

Friday 16 June 2017 - Key Stage 2
Friday 23 June 2017 - Phonics
Thursday 29 June 2017 - EYFSP and Key Stage 1

- All sent files are visible in the Files Previously Sent section at the bottom of the page.
- You will be able to see the name of the file, who uploaded it and the date it was sent.
- You can also see if the file has been received by the LA, when they have received it and who
 received it.
- There are three options available to you when you are viewing the **Files Previously Sent**. These are:
 - o All
 - Sent and Not Yet Received
 - Received
- You will only be able to recall a file that has not yet been received by your LA.

You can do this by simply clicking on the **Recall** button next to the document that you want to recall. This will remove the file from Perspective Lite and mean that this file can no longer be accessed by the LA.
