Introduction

The Synergy Family Information Service (FIS) Provider Portal is used by childcare providers to claim for 2, 3 and 4 year old Early Years funding. The Portal links directly into the Synergy system that the Early Years Management Information team use to process funding payments.

Accessing the Provider Portal via Kelsi

When you receive an email from the Early Years Management Information team advising you that the Provider Portal is open for submission, you will need to login to the system to submit your claim.

Please always log onto the Portal through this Kelsi page and not through a saved link, as this can cause problems in submitting:
<https://www.kelsi.org.uk/school-management/data-and-reporting/management-information/early-years-free-entitlement>

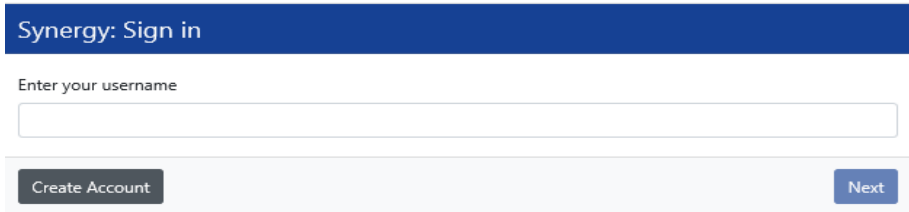

Once this page has loaded, please scroll to the section “Synergy Provider Portal” and use the link to log on.

Logging onto the Provider Portal

When you open the link, please enter your "User Name" as shown below. The "User Name" is the 6-digit DfE URN for your setting.

Please do not use your email address.

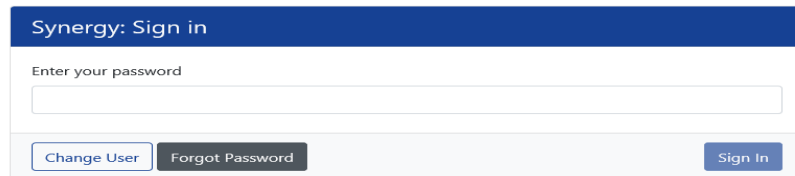

Click on Next.

The screenshot shows the 'Synergy: Sign in' page. At the top, there is a blue header with the text 'Synergy: Sign in'. Below the header, there is a text input field with the placeholder text 'Enter your username'. At the bottom of the form, there are two buttons: 'Create Account' on the left and 'Next' on the right.

Enter your 'Password' as shown below.

Click 'Sign In'.

The screenshot shows the 'Synergy: Sign in' page. At the top, there is a blue header with the text 'Synergy: Sign in'. Below the header, there is a text input field with the placeholder text 'Enter your password'. At the bottom of the form, there are three buttons: 'Change User' on the left, 'Forgot Password' in the middle, and 'Sign In' on the right.

If you cannot remember your 'password', you can reset this. Please refer to the 'Synergy Passwords' document on [KELSI](#) for details on how to do this.

If you have locked your 'password', please telephone or email the Early Years Management Information team on 03000 421612 or miearlyyears@kent.gov.uk and we will reset this for you.

If you type either your user name, password or both incorrectly, you will see "Username or Password are invalid" . **You cannot go back a stage to the user name screen, if this is where the error occurred, so click on the Provider tab to close the link and re-open it again from the Kelsi page.**

Should you need to change your password, please remember that passwords must be a minimum of 7 characters in length, contain at least one capital letter, one number and cannot be the same as the "User Name". Please be aware that the same password cannot be used more than once.

Security Notice

Once you click on “Sign In”, you will now see this screen:

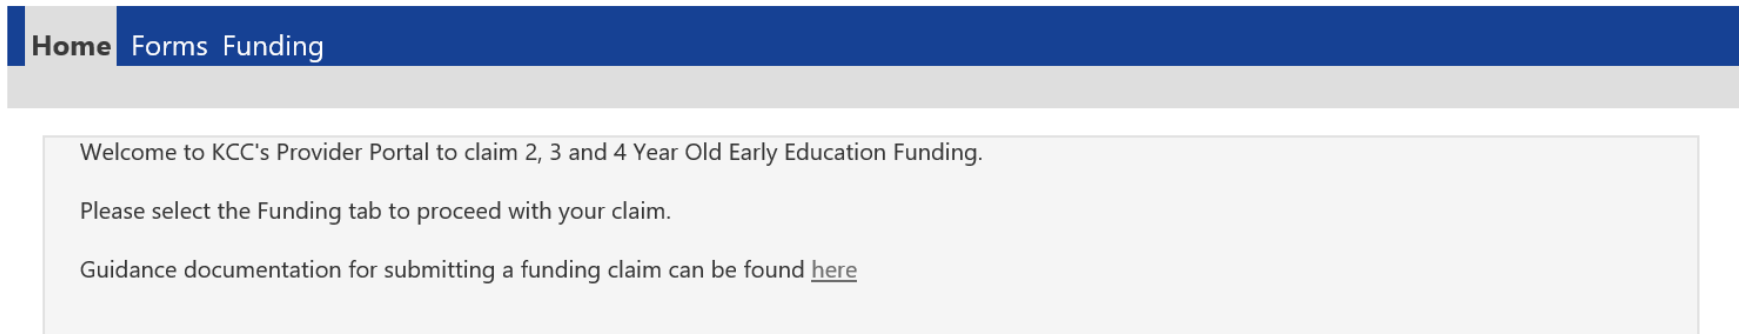

Please click on “Accept”. A message will appear saying “redirecting you”. This will take a few seconds and then the 'Home Screen' will be displayed. If you accidentally click on “Reject”, it will sign you out and you will need to log in again.

Home Screen

Once you have logged in, the 'Home Screen' will be displayed. In the top right-hand corner, you will see a button with "55".

If you click on the button, it will give you two options:

- "Account Management" if you wish to change the password;
- "Sign Out".

You will now see three tabs; 'Home', 'Forms' and 'Funding'. **"Forms" is a new tab, but please ignore this for submitting 3-4 year old Headcount claims.**

Various notifications and messages will also be displayed on this screen from time to time.

Funding Deadlines

The latest PVI calendar (2020/21), which can be found on KELSI using the link below, shows all the submission date deadlines for the term.

<https://www.kelsi.org.uk/school-management/data-and-reporting/management-information/early-years-free-entitlement>

Claiming Funding

The Funding screen will be displayed which has five tabs at the top of the screen: 'Summary', 'Estimates', 'Actuals', 'Adjustments' and 'Eligibility Checker'.

		Office use only	
		Ready To Process	Processed
	Funding Type		
	2 Year Olds		
	3 & 4 Year Olds		

Opening 3-4 Year Olds Actuals for Headcount (to submit new starters & continuing claims)

- Select the relevant term (1)
- Select 3 & 4 Year Olds Funding (2)
- Select the **Actuals** Tab (3)

Ensure that the right term and funding type has been opened, if not click on 'CHANGE' to go back to the Summary and select the correct term and funding type.

Continuing Claims

A list of children claimed by your setting last term, that are still in the eligible date of birth range for the new term, will appear.

You must work through this list before adding any new children to the system.

Deleting existing children

Firstly, please check if any of the children have either left your setting, or are no longer claiming the funding with you.

If they need to be deleted, click on the black X to remove them from the list.

Please note:
 The Funding Details start and end dates are set for the academic period, as defined by the Department for Education. The start date is the date **the Child started** in that term. This may not be the first day of term, however, it must be during Headcount Week. **Please be aware that if an inputting error is made, the term dates will return to the default, so please ensure these dates are correct before submitting your information.**

The red box shows the maximum hours that can be claimed each week and the maximum termly hours.

Please check that this is showing the correct number of weeks for your setting based on whether you are claiming over 38 weeks or 48 weeks. For any children stretching the funding, where you are claiming as a 48-week pattern, the Stretching Entitlement box will show.

If you cannot see this box, please contact the Early Years Management Information team and we will update Synergy for you.

The maximum weeks for each term are as follows:

38 Week Offer		48 Week Stretched Offer	
Autumn Term	14 Weeks	Autumn Term	16 Weeks
Spring Term	11 Weeks	Spring Term	14 Weeks
Summer Term	13 Weeks	Summer Term	18 weeks

(1) Click on the “Default Term Dates” blue button and the dates for the academic period, as defined by the Department for Education, will populate. **Please change this** to reflect the start and end dates of the child’s funding pattern for the term using the drop-down calendar to enter the dates. **Please do not type the dates, as this will cause an error.**

(2) Ensure that “Weeks Attended in Term” is correct and amend if necessary.

(3) In the **Spring Term only**, please tick the “Present during Census” box. If this is not ticked, we cannot guarantee that a payment will be processed.

(4) If the child attends your setting for more than 1 day a week, or if they also attend another setting, tick the “Attends Two Days or More” box. If a child attends your setting for 1 day only, they may claim a maximum of 10 funded hours a week. **A common error occurs here when providers do not tick this box and they are then told they cannot claim more than 10 hours.**

(5) **“Nominated for DAF” must be set to No.** Please note Management Information do not use the Synergy system for DAF (Disability Access Fund) applications. Please use the link to Kelsi to download an application form (see page 12 for the link to Kelsi).

(6) If your setting offers stretched funding and the child is accessing their funding over the 48-week pattern, tick the “Stretching Entitlement” box. The number of weeks must also be amended in line with the 48-week pattern of funding (see page 14).

You should receive a message saying that the eligibility for the 30 hours has been confirmed at the top and the “Eligible for 30H box” will now be ticked on the **Funding Details** Tab.

However, you may receive one of the following two error messages which will need to be resolved before you can submit your claim.

1) A red message stating the eligibility code has been found, but does not cover the standard term start date:

This means that a claim **cannot** be submitted, as the code is not valid for the current term. Please contact the Early Years Management Information team and they will investigate further. To enable you to submit the universal hours, set the extended funded hours to 0.00 whilst this is investigated (leave all other information in place).

2) A red message stating eligibility for extended hours was not obtained:

This means that the information submitted is **not correct**. Please confirm with the parent that the information entered into Synergy matches that supplied to HMRC when the parent applied for the extended entitlement (**the code, child’s date of birth and the parent’s National Insurance number**). When checked, add the details and resubmit your claim or contact Management Information if all information is correct and they will investigate further. To enable you to submit the universal hours, set the extended funded hours to 0.00 whilst this is investigated (leave all other information in place).

There is now a new tab called 'Notes'. This is optional.

Please use this tab if you wish to add **any notes about the child** i.e. they attend other settings or they have now changed their name by deed poll, or the original record had an incorrect dob, address etc.

The screenshot shows the 'Notes' tab in the FIS Provider Portal. The top navigation bar includes 'Home Forms' and 'Funding'. Below this, a secondary navigation bar contains 'Summary', 'Estimates', 'Actuals', 'Adjustments', and 'Eligibility Checker'. The main content area has four tabs: 'Child Details', 'Parent / Carer Details', 'Funding Details', and 'Notes'. The 'Notes' tab is active and contains two sections: 'Add a new note' with a large empty text box, and 'Notes History' which is currently empty. At the bottom of the form, there are 'Save' and 'Cancel' buttons, and a note that '*denotes mandatory fields'.

If you click on the “Send Claim button” when some of the existing children still have zero hours in their records, the following warning message will show:

IMPORTANT!
If you submit a child's record with zero hours, the Early Years Management Information team will delete the child when you send the claim, so YOU MUST click on "Return" to find the relevant child/children to now add the hours.

Checking the claims before submitting

Each time a child is saved, it takes you back to the actuals screen and shows a list of the all the children and your amendments. It also shows the hours the eligibility dates within the Eligibility Status column, for any children claiming the extended entitlement.

The Funded Hours you have entered and the Total Funding Amount for Term are now displayed.

The status descriptions will either show “Awaiting LA Deletion” as per guidance on page 9, or “Unsubmitted Claim” meaning an **existing** child has been amended, **but not** submitted.

Once you have pressed the “Send Claim” button and the claim is submitted, a green bar with a tick and the words “Submission Successful” appear on the screen, as per below.

The status of the children now changes to “Awaiting LA Download” (or “Awaiting LA Deletion”, if you have deleted them).

Please note:
 The Funding Details start and end dates are set for the academic period, as defined by the Department for Education. The start date is the date **the Child started** in that term. This may not be the first day of term, however, it must be during Headcount Week. **Please be aware that if an inputting error is made, the term dates will return to the default, so please ensure these dates are correct before submitting your information.**

The red box shows the maximum hours that can be claimed each week and the maximum termly hours.

Please check that this is showing the correct number of weeks for your setting based on whether you are claiming over 38 weeks or 48 weeks. For any children stretching the funding, where you are claiming as a 48-week pattern, the Stretching Entitlement box will show.

If you cannot see this box, please contact the Early Years Management Information team and we will update Synergy for you.

For information the maximum weeks for each term are as follows:

38 Week Offer		48 Week Stretched Offer	
Autumn Term	14 Weeks	Autumn Term	16 Weeks
Spring Term	11 Weeks	Spring Term	14 Weeks
Summer Term	13 Weeks	Summer Term	18 weeks

(1) Click on the “Default Term Dates” blue button and the dates for the academic period, as defined by the Department for Education, will populate. **Please change this** to reflect the start and end dates of the child’s funding pattern for the term using the drop-down calendar to enter the dates. **Please do not type the dates, as this will cause an error.**

(2) Ensure that “Weeks Attended in Term” is correct and amend if necessary.

(3) In the **Spring Term only**, please tick the “Present during Census” box. If this is not ticked, we cannot guarantee that a payment will be processed.

(4) If the child attends your setting for more than 1 day a week, or if they also attend another setting, tick the “Attends Two Days or More” box. If a child attends your setting for 1 day only, they may claim a maximum of 10 funded hours a week. **A common error occurs here when providers do not tick this box and they are then told they cannot claim more than 10 hours.**

(5) **“Nominated for DAF” must be set to No.** Please note Management Information do not use the Synergy system for DAF (Disability Access Fund) applications. Please use the link to Kelsi to download an application form (see page 24 for the link to Kelsi).

(6) If your setting offers stretched funding and the child is accessing their funding over the 48-week pattern, tick the “Stretching Entitlement” box. The number of weeks must also be amended in line with the 48-week pattern of funding (see page 26).

You should receive a message saying that the eligibility for the 30 hours has been confirmed at the top and the “Eligible for 30H box” will now be ticked on the **Funding Details** Tab.

However, you may receive one of the following two error messages which will need to be resolved before you can submit your claim.

1) A red message stating the eligibility code has been found, but does not cover the standard term start date:

This means that a claim **cannot** be submitted, as the code is not valid for the current term. Please contact the Early Years Management Information team and they will investigate further. To enable you to submit the universal hours, set the extended funded hours to 0.00 whilst this is investigated (leave all other information in place).

2) A red message stating eligibility for extended hours was not obtained:

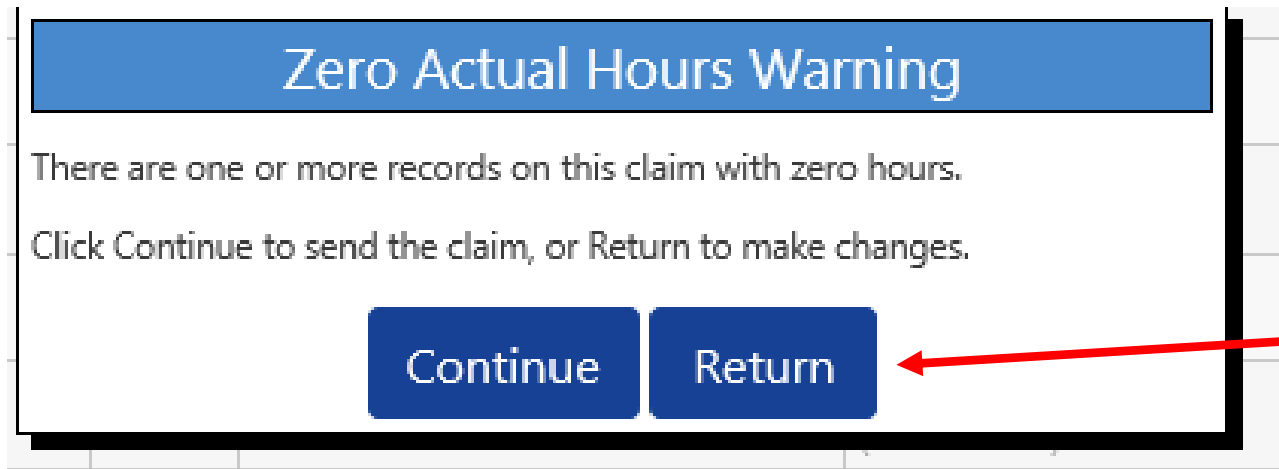

This means that the information submitted **is not correct**. Please confirm with the parent that the information entered into Synergy matches that supplied to HMRC when the parent applied for the extended entitlement (**the code, child’s date of birth and the parent’s National Insurance number**). When checked, add the details and resubmit your claim or contact Management Information if all information is correct and they will investigate further. To enable you to submit the universal hours, set the extended funded hours to 0.00 whilst this is investigated (leave all other information in place).

There is now a new tab called 'Notes'. This is optional.

Please use this tab if you wish to add **any notes about the child** i.e. they attend other settings or they have now changed their name by deed poll, or the original record had an incorrect dob, address etc.

The screenshot shows the 'Notes' tab in the FIS Provider Portal. At the top, there is a navigation bar with 'Home Forms' and 'Funding' tabs. Below this is a sub-navigation bar with 'Summary', 'Estimates', 'Actuals', 'Adjustments', and 'Eligibility Checker'. The main content area has four tabs: 'Child Details', 'Parent / Carer Details', 'Funding Details', and 'Notes'. The 'Notes' tab is active. It contains two sections: 'Add a new note' with a large text input area, and 'Notes History' which is currently empty. At the bottom, there are 'Save' and 'Cancel' buttons, and a note that '*denotes mandatory fields'.

If you click on the “Send Claim button” when you have only added zero hours to the new child/children’s records, the following warning message will show:

IMPORTANT!

If you submit a child’s record with zero hours, the Early Years Management Information team will delete the child when you send the claim, so YOU MUST click on “Return” to find the relevant child/children to now add the hours.

Checking the claims before submitting

Each time a child is saved, it takes you back to the actuals screen and shows a list of the all the children you have added.

The Funded Hours you have entered and the Total Funding Amount for Term are now displayed.

You will see that the status of these new children are **“New, Unsubmitted Child”** meaning a **new** child has been added, **but not** submitted (for other status descriptions, please refer to Q16 in the FAQ section).

What to check once claim has been sent

Once you have pressed the “Send Claim” button and the claim is submitted, a green bar with a tick and the words “Submission Successful” appear on screen, as per below.

The status of the children now changes to “New, Awaiting LA Download”.

The red exclamation mark against each child record adds to the current status that the system is waiting for the Early Years Management Information team to remove your claim from the holding table within the back office of Synergy to start processing it. When this happens, this status description will disappear from your screen.

The screenshot shows the 'Funding' section of the FIS Provider Portal. At the top, there is a navigation bar with 'Home Forms Funding' and a sub-menu with 'Summary Estimates Actuals Adjustments Eligibility Checker'. A green banner with a checkmark and the text 'Submission Successful' is displayed. Below this, there is a link for 'Submit Actual: 2020 - 2021 Spring - 3 & 4 Year Olds CHANGE'. Two buttons, 'Add Child' and 'Send Claim', are visible. A table with the following columns is shown: Status, Child, Universal Hours (Inc Adj), Extended Hours (Inc Adj), Total Funding Amount for Term (Inc Adj), Child Weightings, and Eligibility Status. The table contains two rows. The first row shows a status of 'New, Awaiting LA Download' for a child named 'Brown, Lacey (13-Jul-2017)' with 165.00 Universal Hours and 0.00 Extended Hours, and a total funding amount of £673.20. The second row shows a red exclamation mark icon, a refresh icon, a redacted status, a redacted child name, and 0.00 hours for both Universal and Extended categories, with a total funding amount of £0.00. Below the table, there are two more 'Add Child' and 'Send Claim' buttons.

Hints and Tips:

We recommend that you take a screenshot of this screen including the ‘Submission Successful’ message, in case you have any problems regarding your submission.

IMPORTANT INFORMATION!

- Please be aware that you can add/or amend your headcount claim and resubmit it up to the deadline date for the headcount claims. These dates are shown on the PVI calendar published on Kelsi at: <https://www.kelsi.org.uk/early-years/sufficiency-and-sustainability/free-early-education/early-years-free-entitlement>
- Actuals payments will be calculated based on the **last submission made, before the deadline date.**
- Once this Actuals deadline date has passed, your Actuals screen for that term will show a summary of what you have submitted.
- Individual child records can still be viewed, but no further changes can be made.
- If a child is due to start after Headcount week, they must **not be included in the Actuals (Headcount) submission**, but must be claimed for afterwards as an Adjustment. Please refer to the 3-4 Year Old Adjustment Claims guidance that will be published on Kelsi when the Actuals deadline has passed.
- Some children may have an amber triangle with an exclamation mark against their record. This indicates that you are claiming **extended hours** for a child, but they are currently in their “**Grace Period**”. You cannot claim extended hours for the first time, for a child at your setting, if they are already in their grace period. However, if your setting claimed extended hours for the child in the previous academic term, then you can continue to claim until the grace period end date. Please contact the Early Years Management Information team for further clarification on this point.

FAQs

1. The link on KELSI does not work

This may be due to the way your permissions are set up in your current internet search engine. Please try a different search engine i.e. as an alternative try using Firefox, Internet Explorer, Google or Google Chrome.

2. I have entered my password incorrectly a number of times and my account is locked.

Please contact miearlyyears@kent.gov.uk to have your account unlocked and your password reset.

3. My password has expired.

Passwords need to be reset every 42 days. Please follow the instructions on the Synergy FIS Provider Portal to reset the password.

4. I have logged into the Portal and do not have the usual screen – how do I get to the funding page?

If you are seeing the screen below, please click on 'Modules' and then select 'Childcare/Service Provider'

FAQs

5. The 'Home Screen' is displaying a notification advising that there are unsubmitted child funding records.

Click on the message to display a sub-message with details of the funding term that has the unsubmitted record/s. Click on the sub-message to be taken to the funding term. Click 'Send Claim' to submit any pending claims.

6. The 'Actuals' Tab is showing a 'Summary' of my submission and will not allow me to enter any amendments.

The submission date for 'Actuals' has passed. You will only be able to submit amendments through the 'Adjustments' Tab.

7. When I save a child's details in the Actuals tab, I get an error message saying:

Funded Hours Per Week: Universal Hours exceeds weekly maximum of 10.00 (Funding Details Tab).

Ensure that the checkbox to confirm that the child is attending two or more days is ticked. If the child is only attending one day, a maximum of 10 hours only can be claimed.

Weeks Attended in Term – Value cannot be greater than 13.00 (Funding Details Tab)

Ensure that the checkbox to confirm that the child is stretching the entitlement is ticked. If this box is not showing and you are stretching the funding and wish to claim in a 48 week pattern, please contact the Early Years Management Information team, who will update the Synergy system.

8. I have clicked on the Default Term Dates button, but the dates that have been populated are different to the term dates for my setting.

The Start and End dates can be overwritten with the dates for your setting. Please remember that the **Start Date** should be the date that the **Child started in that funding term**. This may be different to the start date of the funding term for your setting.

FAQs

9. A child is attending one day at my setting, but is also attending another setting. Should I tick the Attending Two Days or More checkbox?

Yes, as the child is attending for a total of more than one day across the settings.

10. I am now offering/no longer offering Stretched Funding/30 Hours Funding/2 Year Old Funding.

If the type of provision you are offering changes, for example, if you begin or cease to offer Stretched Funding, 30 Hours Funding or 2 Year Old Funding, the Early Years Management Information team will need to amend your details in the Synergy system to reflect these changes. Please, therefore, advise us of any such amendments by emailing:

miearlyyears@kent.gov.uk

11. I am logging on to Synergy and receive the ‘Oooops! Sorry, you do not have access to this’ message.

This is a known issue on Synergy. To return to the funding page, please click on ‘modules’ and then ‘Childcare/Service Provider’. This should return you to the funding page.

FAQs

12. How do I check if a 30 hour code is valid?

If it is a new code, i.e. the child has just become eligible for the extended hours, or has transferred to your setting you must validate the code through the Kelsi 30 Hour Checker. This can be found at www.kent.gov.uk/30hourchecker

If you would like to check if a parent has reconfirmed their details with HMRC prior to the start of a new term you can use the Eligibility Checker in your portal. This will give you an onscreen result. You will not receive any email confirmation.

13. I have submitted my headcount/adjustments and have gone back into the Portal and noticed that a child now has an amber exclamation mark beside their record saying they are in their grace period. This did not show when I submitted the claim – will I still get my funding?

Yes, you will receive the funding. The 30 hour check is completed when you press the blue 30 hours free childcare button when you submit your claim. The record is then populated with the dates assigned to the eligibility code at that moment in time and the child may not be in the grace period. If, later in the term, you log into your portal the 30 hour check is not automatically updated and the child may now be in their grace period based on the dates assigned at the time of the submission of the claim. The parent may have reconfirmed their details with HMRC, but this will not show until a new claim is submitted and checked.

FAQs

14. How do I add children that have started after headcount?

To add children who have started after Headcount Week or to make other amendments, please submit an adjustment via the 'Adjustments' Tab (see 3 and 4-year old adjustment claim guidance notes for further information).

15. Children's records are not saving

If you are experiencing difficulties saving records for the 30 hour children, the Early Years Management Information team recommend that you enter the child's details for the just the universal hours and save the record. Then go back into the record, add the 30 hours code and the extended hours and click on the Blue 30 Hours Free Childcare button. If there is a problem with a particular child's code and Synergy shows an error message, you will not have to keep re-entering all the child's details. Please contact the Early Years Management Information team if you are experiencing difficulties with a 30 hour code.
