From **Climate Change to Genomics...**

...from Creative Writing to 'Dragon's Den' style business development!

In collaboration with Kent County Council's Reconnect program, the Kent Youth Summit offers a unique, vibrant learning opportunity for students to expand their knowledge in a wide range of interesting and varied further education subjects whilst exploring possible avenues for future career choices.

Each day will kick off with morning workshops followed by a complimentary barbecue before ending the day with an interactive headline plenary session.

Taking place at the University of Kent, this event is free to attend. Book for one or both days.
