## Introduction

The Synergy Family Information Service (FIS) Provider Portal is used by childcare providers to claim for 2, 3 and 4 year old Early Years funding. The Portal links directly into the Synergy system that the Early Years Management Information team use to process funding payments.

**Please note that the Synergy system is not used for Early years Pupil Premium Applications or Disability Access Funding.**

## Accessing the Provider Portal via Kelsi

When you receive an email from the Early Years Management Information team advising you that the Provider Portal is open for submission, you will need to login to the system to submit your claim.

**Please always log onto the Portal through this Kelsi page and not through a saved link, as this can cause problems in submitting:**

**<https://www.kelsi.org.uk/school-management/data-and-reporting/management-information/early-years-free-entitlement>**

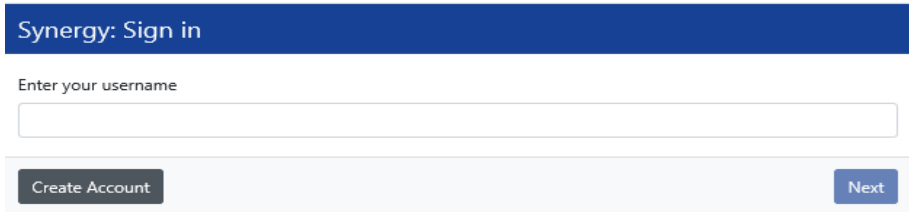

Once this page has loaded, please scroll to the section “Synergy Provider Portal” and use the link to log on.

## Logging onto the Provider Portal

When you open the link, please enter your "User Name" as shown below. The "User Name" is the 6-digit DfE URN for your setting.

**Please do not use your email address.**

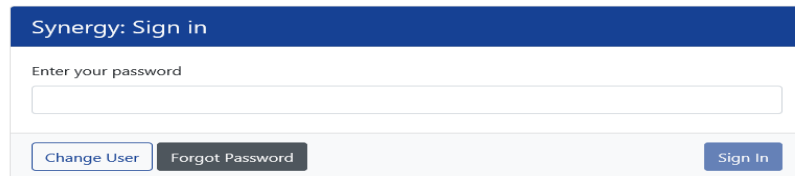

Click on Next.

The screenshot shows the 'Synergy: Sign in' page. At the top, there is a blue header with the text 'Synergy: Sign in'. Below the header, there is a text input field with the placeholder text 'Enter your username'. At the bottom of the form, there are two buttons: 'Create Account' on the left and 'Next' on the right.

Enter your 'Password' as shown below.

Click 'Sign In'.

The screenshot shows the 'Synergy: Sign in' page. At the top, there is a blue header with the text 'Synergy: Sign in'. Below the header, there is a text input field with the placeholder text 'Enter your password'. At the bottom of the form, there are three buttons: 'Change User' on the left, 'Forgot Password' in the middle, and 'Sign In' on the right.

If you cannot remember your 'password', you can reset this. Please refer to the 'Synergy Passwords' document on [KELSI](#) for details on how to do this.

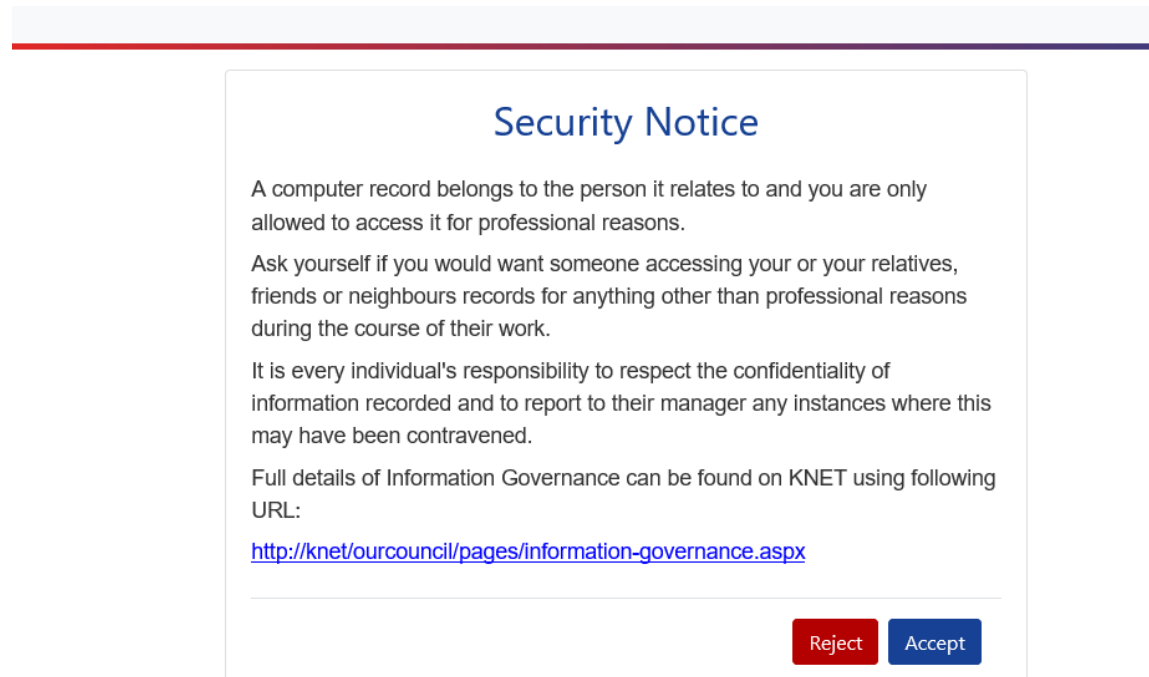

If you have locked your 'password', please telephone or email the Early Years Management Information team on 03000 421612 or [miearlyyears@kent.gov.uk](mailto:miearlyyears@kent.gov.uk) and we will reset this for you.

If you type either your user name, password or both incorrectly, you will see "Username or Password are invalid" . **You cannot go back a stage to the user name screen, if this is where the error occurred, so click on the Provider tab to close the link and re-open it again from the Kelsi page.**

**Should you need to change your password, please remember that passwords must be a minimum of 7 characters in length, contain at least one capital letter, one number and cannot be the same as the "User Name". Please be aware that the same password cannot be used more than once.**

## Security Notice

Once you click on “Sign In”, you will now see this screen:

The screenshot shows a white rectangular box with a thin border, centered on a light gray background. At the top of the box, the title "Security Notice" is displayed in a blue font. Below the title, there are four paragraphs of text in a standard black font. The first paragraph states that a computer record belongs to the person it relates to and is only for professional use. The second paragraph asks the user to consider if they would want their records accessed by others. The third paragraph emphasizes the responsibility to maintain confidentiality. The fourth paragraph provides a URL for more information. At the bottom right of the box, there are two buttons: a red "Reject" button and a blue "Accept" button.

**Security Notice**

A computer record belongs to the person it relates to and you are only allowed to access it for professional reasons.

Ask yourself if you would want someone accessing your or your relatives, friends or neighbours records for anything other than professional reasons during the course of their work.

It is every individual's responsibility to respect the confidentiality of information recorded and to report to their manager any instances where this may have been contravened.

If you click on the button, it will give you two options:

## **ALERT:**

**Please take a screenshot of this screen, showing the date and time, including the green 'Submission Successful' message, the term and the type of funding you are in. ## Example 1

*A setting is offering 38 weeks of funding over the year and claiming 13 weeks in the Summer Term.  
There are 10 children at the setting, 9 of whom are claiming 15 hours and 1 child is claiming 10 hours.  
The weekly hours claimed is therefore 145 hours. (9 x 15= 135 +10 = 145 hours).*

## Example 2 Settings offering stretched and non-stretched

You can only enter one value for the weeks, if you are offering funding to children over both 38 weeks and 48 weeks, you will need to decide whether to enter your estimate based on the stretched weeks or non-stretched weeks.

You can calculate the total hours for the term for all children and then divide this amount by the number of weeks you are entering and that is the total weekly hours you should enter.

*6 children claiming under the 38 week non-stretched offer  
15 hours x 13 weeks = **1,170 termly hours***

*5 children claiming under the 48 week stretched offer  
12 hours x 18 weeks = **1,080 termly hours***

**A total of 2,250 termly hours**

*The setting chooses to show the number of weeks for the term as 13. The weekly hours will be entered as 173.08 (2,250 hours divided by 13 weeks).*
