- 1. I confirm that the details supplied are accurate and true.
- 2. I confirm I have read and understood the provider's Privacy Notice.
- 3. I confirm I have read and accept the provider's Free Early Education and Childcare offer and Fee Structure.
- 4. I understand it is my responsibility to ensure the provider(s) are aware of the hours I wish to claim and that these do not collectively exceed the weekly maximum of 15 hours (or 30 hours if applicable).
- 5. I understand that if my child attends more than the maximum 15 hours (or 30 hours if applicable) the provider(s) involved will charge for the hours my child attends in excess of his/her Free Early Education and Childcare.
- 6. I understand that if I stretch the Free Early Education and Childcare offer over more than 38 weeks per year, my weekly hours will reduce from 15 hours (or 30 hours if applicable) to ensure I do not exceed the annual entitlement.
- 7. I understand that once the annual Free Early Education and Childcare of 570 hours (or 1140 hours, if applicable) has been reached, any additional hours will be charged for by the provider. The annual entitlement starts in the term in which my child first became eligible for funding.
- 8. I understand that if I decide to change providers during the term and my child has already been funded for that term that I will have to pay the new provider for the hours my child attends for the remainder of the term.
- 9. I understand that the provider will need to see my child's birth certificate or passport and if applicable, change of name deed prior to claiming their Free Early Education and Childcare for the first time.
- 10. I understand that there may be a charge for consumables (please ask your childcare provider for more details).

I declare the above information to be correct at the time of completion and give my consent for my information to be submitted to KCC to process my claim for Free Early Education and Childcare and to check eligibility for The Working Parent Entitlement and Early Years Pupil Premium.

I understand that if for any reason I do not meet the eligibility criteria I will be responsible for paying the provider for any hours my child attends (excluding universal 3&4 year old funded hours)
