Terms on which the Year 7 catch-up premium is allocated to schools

5. The grant may be spent by maintained schools and academies for the purposes of the school; that is to say for the educational benefit of pupils registered at that school, or for the benefit of pupils registered at other maintained schools and academies; and on community facilities, for example services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated.
6. The grant does not have to be completely spent by schools and academies in the financial year beginning 1 April 2014; some or all of it may be carried forward to future financial years.

7. The grant must be made available irrespective of the existence of any deficit relating to the expenditure of the school's budget share. The Year 7 catch-up premium is not part of schools' budget shares and is not part of the Individual Schools Budget. It is not to be counted for the purpose of calculating the Minimum Funding Guarantee.

Pupils in alternative provision

8. The grant has also been allocated to each local authority for pupils in alternative provision (ie attending schools not maintained by the local authority¹ for which the local authority is paying full tuition fees, plus all pupils educated otherwise than in schools under arrangements made by the local authority). This ensures there are funds to provide catch-up support for any Year 7 pupils in alternative provision who did not achieve level 4 in reading and/or mathematics at the end of Key Stage 2.

Payment arrangements

9. The grant will be paid by the Secretary of State to local authorities by 27 February 2015. The payment will include allocations for all schools that are maintained schools on 1 January 2015, including schools that might convert to academy status after 1 January 2015. Schools that are academies or free schools on 1 January 2015 will be paid direct by the EFA on 2 March 2015.

Certification

10. Local authorities will be required to certify that they have passed on the correct amount of funding to schools or, where funding has been spent centrally, that it has been spent in line with the conditions of grant. The certificate will be issued to local authorities in April 2015 for completion and return to the EFA by 31 May 2015.

11. The basis for allocation of grant may be varied by the Secretary of State from those set out above.

12. Any overpayment of grant shall be repaid by the local authority or academy to the Secretary of State.
