Dear Colleague,

Free Entitlement and Childcare Period 01/01/2020 – 15/04/2020 Spring Final Claim

The Headcount Week is next Monday 13th January to Friday 17th January 2020. If your setting is claiming funding for 38 weeks a year the maximum number of weeks that can be claimed for this term is 11. As you have advised us you are providing stretched funding, over 48 weeks, the maximum number of weeks that can be claimed for this term is 14. Please ensure that all parents/carers have completed and signed a parental declaration for this term.

The date of birth range for Spring 2020 term is below:

Term	3 Year Olds	4 Year Olds	Whole DOB Range
Spring 2020	01/01/2016 to 31/12/2016	01/01/2015 to 31/12/2015	01/01/2015 to 31/12/2016

Synergy FIS Provider Portal

For the Spring 2020 Headcount the 'Actuals' tab will be open from today, Friday 10th January to Tuesday 21st January 2020. **If you have submitted claims prior to Friday 10th January 2020 these will be deleted.**

Claims **should not** be submitted for children who are not in attendance during headcount week, unless there is a known reason (i.e. sickness or holiday). The deadline for submitting your claim is 5pm on Tuesday 21st January 2020. Balancing payments should be in Providers' accounts week commencing Monday 24th February 2020.

The 'Actuals' tab will show details of children who claimed funding last term, however, to avoid incorrect submissions, no hours have been carried forward. You will need to add the funded hours for **all** children (both universal and, where applicable extended hours) and check the weeks attended in the term are correct. If you need to delete any children that are no longer at the setting please click the red X next to their name, further guidance can be found on page 8 of the headcount guidance.

Please ensure that you tick the '**Present during Census**' box for all children included on your headcount claim to ensure that they are included on your Spring 2020 EY Census.

The link for Synergy FIS Provider Portal and the guidance notes are available on KELSI:

<http://www.kelsi.org.uk/school-management/data-and-reporting/management-information/early-years-free-entitlement>

Please be aware that passwords will need to be reset every 42 days.

30 Hours of Free Childcare

In order to receive payment, you must have completed a 30 hour validation check through KELSI for **all** children you are claiming extended entitlement for. Please check your records to ensure this has been completed to avoid your payment being withheld.

You must only submit a claim for extended hours using a code that is valid for the spring terms. If the start date of the code is after 31st December 2019, it is not valid for a spring term claim. If you submit a claim and an invalid code is accepted in your headcount submission, this will **not** be processed for payment.

Full information on 30 hours claims is available on KELSI.

Children Claiming at 2 Settings

As per the Provider Agreement children can access a free place at no more than two sites per day. The combined claims must not be greater than 15 hours a week for universal entitlement and 15 hours a week for the extended entitlement. Where claims are received in excess of these hours, no setting will be paid until the over claim is resolved.

Stretched Funding

There are 2 choices in how to claim stretched funding:

Option 1: Claim the funding as non-stretched (over 38 weeks) on Synergy and stretch it yourselves with the parent.

Option 2: Claim the stretched funding over 48 weeks per year. This will either be your actual stretched offer, or you will claim 48 weeks but also stretch the funding outside of synergy as you offer over 48 weeks of the year.

If you will be claiming the stretched funding under option 1 please reply to this email to let us know.

If you will be claiming the stretched funding under option 2 the maximum number of hours that can be claimed for Autumn 2019 is 192 (12 hours over 16 weeks). If you are claiming the stretched funding for a child, please ensure that you input the number of stretched weeks being claimed in the 'weeks attended in term' box and tick the 'Stretching entitlement' box.

Providers should be aware that the child's funding will be capped at 570 hours a year (the maximum number of hours the Department for Education fund Local Authorities) so Management Information will deduct any overclaimed hours in the Autumn 2019 term if the child has reached the final term in their funded year.

Late Joiners

Once the Headcount data collection is over and the 'Actuals' tab is closed providers will be able to go into the adjustments tab and add late joiners – please find the full guidance on KELSI.

The adjustment tab will open from Wednesday 22nd January 2020. The deadline to submit Spring 2020 Late Joiners is Friday 24th April 2020.

If you require any further information, please contact Management Information on 03000 422828.

Yours sincerely,

Chaileigh Thorne
