

This guidance sheet explains how to create your XML (CTF) results file for each key stage and how to return the file to Management Information.

Please refer to Pupil Asset’s own guidance for details on how enter your pupil level outcomes on your MIS, these can be found here:

<https://pupilasset.com/help/how-to-guide/national-data/how-to-export-return-statutory-pupil-results/>

**Please note that this is the link for 2022 as unfortunately Pupil Asset have not yet updated their website with details for 2023.**

For information, these are the eligible outcomes/grades for each key stage:

### **Early Years Foundation Stage**

Additionally, for Writing – please use the code L if the pupil has left your school since the Test period in May.

## Phonics – Year 1 and Year 2

Eligible Entries
0 to 40
A or D

When all of the End of Key Stage or Early Years Foundation Stage Profile results have been entered, you can export the results via CTF.

Please ensure that you return outcomes/scores for all the pupils you need to. Below is DfE guidance explaining the eligible periods for each key stage.

### **EY FSP**

- If a child starts a new school or provider on the first day of the second half of the summer term (or any time after that), then the previous school should submit the data to the LA.
- If a child moves school or provider any time before the half term, then the new school should submit the data.
- If half term dates differ between schools and LAs, it is the school or provider where a child attends (or will attend) for the longest period of time that submits the data

### **Phonics** – if a pupil changes school:

- before the check period – the receiving school should assess the pupil and submit data for them
- during the check period – the receiving school should find out whether the pupil has already taken the check (if not, they should assess the pupil and submit data for them)
- after taking the check – their result should be submitted by the school where they took the check and provided to the new school

### **KS1**

- If a pupil changes school before Tuesday 2 May 2023 – the receiving school must administer the KS1 tests to the pupil and submit TA data for them
- If a pupil changes school during the KS1 test period in May 2023, the receiving school must find out which tests have already been administered to the pupil and administer any remaining tests. The school where the pupil was registered for the greater number of school days in May should submit TA data for that pupil to the LA.
- If a pupil changes school after Tuesday 30 May, the school where the pupil was registered during the KS1 test period must submit TA data.
- If a pupil arrives from a non-participating school or having been EHE, the receiving school should assess the pupil and submit data for them. If the pupil arrives on, or after Thursday 1 June data is not required.

### **KS2**

- If a pupil changes school before test week, the receiving school must submit TA data for them.
- If a pupil changes school during test week, the school where the pupil was registered at the beginning of test week must submit TA data for them.
- If a pupil changes school after test week, the school where the pupil was registered during test week must submit TA data for them.

## Creating your CTF

All returns must be in the form of a CTF (XML) – we cannot accept CSV file exports from Pupil Asset.

Navigate to **Admin > Export** and select **CTF**.

As per the instructions on the page, choose the pupils you wish to export by using the **Filter**.

For EYFSP, KS1 and Phonics returns please choose **My LEA** and then Kent in Step 2.

For KS2 choose NAA/LLLL (**DfE**) to create an export for upload to the Primary Assessment Gateway (PAG).

### File Options

My school (for import into your own systems)

My LEA

NAA/LLLL (NCA tools)

MMM/MMMM (Going to non-maintained school)

XXX/XXXX (Destination Unknown)

Another school

**Step 2:** Who is this export for?

LEA:

Estab No:

**Step 3:** What would you like to export?:

The **What would you like to export?** dropper will allow you to choose which statutory results you wish to include in the CTF.

This will automatically tick the matching box in the **Result Options** box further down the page.

Finally, click the **Generate CTF** button at the bottom of the page. The CTF containing the data you require will be saved to the Downloads folder on your computer.

**Please note for Phonics you need to create a file for all your Year 1 pupils and only those Year 2 pupils who retook the screening check in June 2023.**

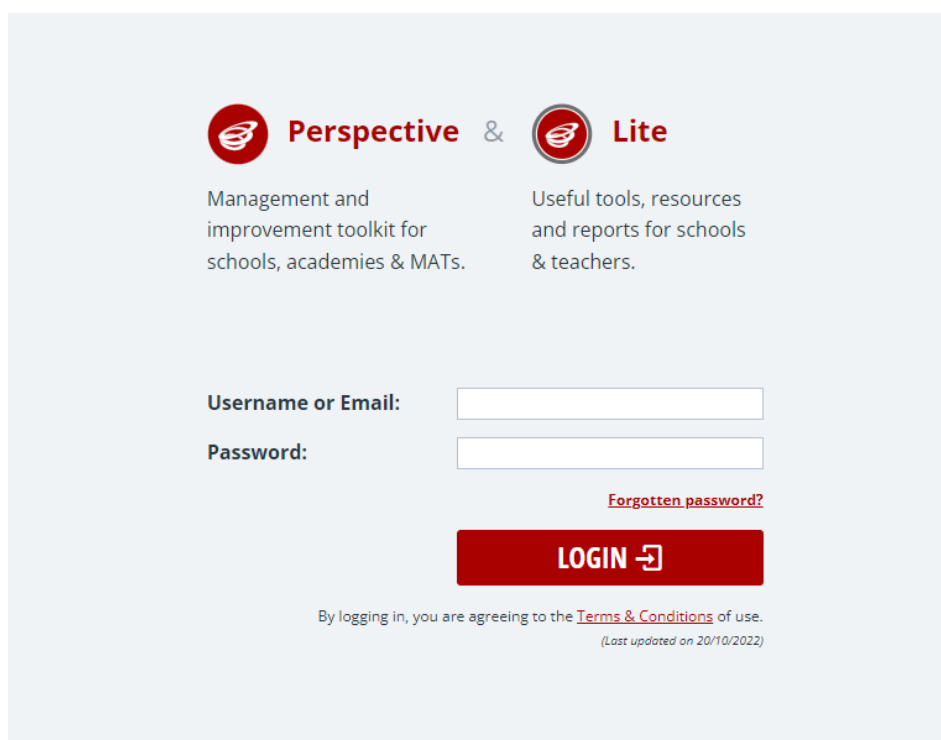

## How to transfer your EYFSP, Phonics and KS1 XML files to Management Information

As in previous years, files for EYFSP, Phonics and KS1 will be transferred via Perspective Lite. This is the website you use to transfer your School Census files to us.

Firstly, open **Internet Explorer** or another internet browser.

Type the website address in the address line <https://perspective.angelsolutions.co.uk> and press return.

- **Login to Perspective Lite** using the login details you use to transfer your census file to us.

 **Perspective** &  **Lite**

Management and improvement toolkit for schools, academies & MATs.

Useful tools, resources and reports for schools & teachers.

Username or Email:

Password:

**LOGIN** →

By logging in, you are agreeing to the [Terms & Conditions](#) of use.  
(Last updated on 20/10/2022)

If you need help with your login details please e-mail Angel Solutions at [perspectivesupport@angelsolutions.co.uk](mailto:perspectivesupport@angelsolutions.co.uk) or call them on **0845 129 7196**.

Alternatively, if you click on the **Forgotten password?** link you can enter either your username (this is normally the school URN) or your e-mail address and a reminder of your login details will be e-mailed to you. The e-mail address that you enter will need to be the address that is assigned to your Perspective Lite login or the password retrieval will not work.

- Once logged in hover the mouse over **LA Services** and click on **File Returns**

- To locate the file, you will need to click on the **Browse For Files** button. You need to navigate to the path on your network/PC where your export file from the system you use has been saved.

- Once your chosen file is displayed, select the **correct file tag** to correspond with the file you are uploading.

- When the file is correctly tagged, you can then click **Upload & Send** to start the secure upload process for adding the file to Perspective Lite and sending to the LA.

- When the file has uploaded/sent you will receive a message on screen to let you know if this process has been successful.

 Your file has been uploaded and sent to Kent. x

Once Kent receives your file a copy is available for you to download in the Previously Sent section (see below) for the following 30 days. If you wish to keep the file we suggest you store it on your computer or network.

**Unfortunately, you can only upload one file at a time, so if you need to, repeat the above process for the other file/s you wish to send us.**

Once all files have been uploaded and sent you can exit Perspective Lite.

Please transfer your XMLs for all relevant Key Stages by no later than:

**Tuesday 27 June 2023 – Phonics (All Year 1 and Year 2 Retakes ONLY)**  
**Tuesday 27 June 2023 – Key Stage 1**  
**Friday 30 June 2023 - EYFSP**

- All sent files are visible in the **Files Previously Sent** section at the bottom of the page.
- You will be able to see the name of the file, who uploaded it and the date it was sent.
- You can also see if the file has been received by the LA, when they have received it and who downloaded it.
- There are three options available to you when you are viewing the **Files Previously Sent**. These are:
  - All
  - Sent and Not Yet Received
  - Received
- You will only be able to recall a file that has not yet been received by your LA. You can do this by simply clicking on the **Recall** button next to the document that you want to recall. This will remove the file from Perspective Lite and mean that this file can no longer be accessed by the LA.

### **How to transfer your KS2 Teacher Assessment XML file to the Primary Assessment Gateway**

The DfE have written detailed guidance notes on how to submit KS2 TA data – this document should be found here once the Primary Assessment Gateway (PAG) has opened:

<https://www.gov.uk/government/publications/key-stage-2-submitting-teacher-assessment-data>

Your teacher assessment data needs to be uploaded to the PAG by **Friday 30 June**.

Please email [MIEducation&WiderEH@kent.gov.uk](mailto:MIEducation&WiderEH@kent.gov.uk) if you have any queries relating to KS2 TA submission.
