

# Back to school assets for coronavirus (COVID-19)

## Printed resources

All items listed are free to schools and can be requested using our [online order form](#).

### External Banner

*50cm by 150cm, made of weatherproof vinyl, with holes and cable ties.*

Ideal for a railing by the school gate.

Up to 3 can be ordered per school.

## **A4 outdoor poster**

*Printed onto weatherproof correx board, with holes and cable ties.*

Ideal for attaching to lamp posts or the gate.

Packs of 4. Up to 3 packs can be ordered per school.

## **A3 outdoor poster**

*Printed onto weatherproof correx board, with holes and cable ties.*

Ideal for school gates or small railings.

Packs of 4. Up to 3 packs can be ordered per school.

## Footprint pavement stickers

*Measuring 30cm diameter*

Ideal for use outside or inside your school gate. If used outside, you will need to remove them when no longer needed.

Packs of 10. Only 1 pack can be ordered per school.

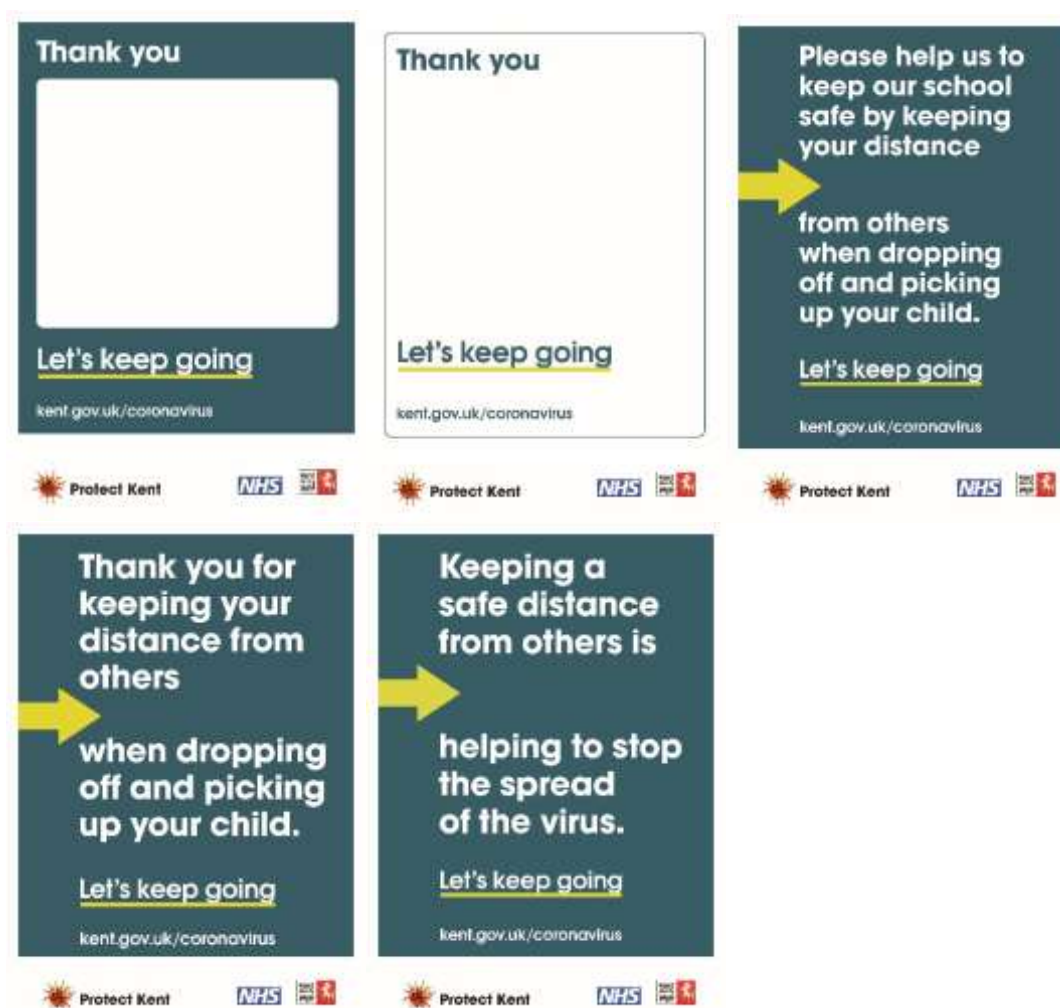

## Downloadable posters

*For use indoors, can be printed in school.*

You can download 4 different posters, available in both A3 and A4 sizes:

- “Thank you. Let’s keep going”, with space for a custom message, available in blue and white.
- “Keeping a safe distance from others is helping to stop the spread of the virus”
- “Please help us to keep our school safe by keeping your distance from others when dropping off and picking up your child.”
- “Thank you for keeping your distance from others when dropping off and picking up your child.”
