

PRIMARY RECRUITMENT EVENTS

There is DfE funded support for schools via the Kent & Medway Maths Hub [Teaching for Mastery Programme](#).

Join a free event to discover why your school should join

TEACHING FOR MASTERY, WHAT'S IN IT FOR US?

OPEN CLASSROOM, DISCUSSION & Q&A

19 MAY, 9.15-11.15am - Goudhurst & Kilndown

9 JUNE 9.15-11.15am - Benenden

Meet Maths Hub Headteacher Advocate, Lindsay Roberts and her team; discover first-hand why and how Teaching for Mastery has supported maths development across these two schools.

Register

TEACHING FOR MASTERY SUSTAINING, WHAT'S IN IT FOR US?

OPEN CLASSROOM, DISCUSSION & Q&A

Schools who have participated in teaching for mastery, come back to us!

18 MAY, 8.30-10am - Oaklands School

15 JUNE, 8.30-10am - Oaklands School

Meet Maths Hub Headteacher Advocate, Barry Symons and his team; discover his decision making behind why he continued Oakland's journey into Sustaining and how working with the Maths Hub has supported changes in his school.

Register

MAGIC MESSAGE ROADSHOW

Magic Message was created by Andrew Jeffrey to bring the magic of maths to everyone - pupils & teachers alike.

7 JUNE, Sandgate Primary School Folkestone, 9-11am

8 JUNE, St Peter's Primary School, Thanet, 9-11am

9 JUNE, Kings Farm Primary School, Gravesend, 9-11am

Join us for a session with Andrew to look at the mathematical thinking children can do as a result of their teaching for mastery journey, hear about opportunities for your school and be inspired!

TEACHING FOR MASTERY SUSTAINING ONLINE BRIEFING

18 MAY, 4-5pm

Do you think or know that your school has previously worked in teaching for mastery, but is now out of touch with the Maths Hub?

Join us online and find out how we can support maths development across your curriculum through our DfE funded Sustaining programme. Even with significant staff turnover, or if you've been out of touch for some time, we are here to support you.
